

Cell Phone Policy

We will collect cell phones belonging to middle school students at the beginning of the day in homerooms from 7:50 a.m. to 7:55 a.m., and we will store them in a safe location. Students may pick up their phones after the last module of the day in homerooms from 2:40 p.m. to 2:45 p.m. We do not allow any other personal electronics at school. If students in grades pre-k through 5 have one of these items, they should turn it in to the homeroom teacher for safe keeping during school time. If phone use is necessary, every classroom has a phone that students may use with teacher permission, or students may come to the office to use the phone at any time.
