**Personal Network Device Policy**

In using personal network devices on the Ridgefield Public Schools network, users must agree to abide by all terms of the policy governing acceptable computer network use. Employees must further understand that the Ridgefield Board of Education reserves the right to monitor employees' network use to ensure appropriate usage, even where employees use their own personal network devices. Moreover, employees must understand that as employees of a public agency, any and all communications made in connection with their employment responsibilities may be subject to disclosure under the Freedom of Information Act and other applicable laws.
