

19-20 ATHLETICS SPORTS PASS

The Ridgefield High School Athletics Department offers passes which provide general admission to RHS home contests. This pass is offered at a substantial savings to Ridgefield families and it is a great opportunity for you to support the RHS Athletics program.

The Athletics Sports Pass allows parents and their children admission into all regular season athletic contests held at Ridgefield High School throughout the school year (fall, winter, spring). This pass cannot be used for Ice Hockey, FCIAC, CIAC or Tournament events.

To purchase an Athletics Sports Pass, fill out the order form below and return it with your payment to the Ridgefield High School Athletics Department. Checks should be made payable to Ridgefield High School. Passes may also be purchased in the RHS Athletics Dept. during school hours. Please allow up to one week processing time for passes ordered by mail. Unfortunately, at this time, we cannot accept payment with a debit/credit card. Children ages five and under are admitted free of charge to athletic events. Ridgefield senior citizens will be admitted free of charge by showing their town gold card to a ticket taker.

Please note:

- *The Pass may NOT be transferred or exchanged.*
- *Sports passes are only valid for the year indicated on the card*
- *The Pass does not guarantee seating at the event.*
- *The Pass is NOT valid at Non-RHS events held at Ridgefield High School (e.g. FCIAC, CIAC, Tournaments), nor is it valid at Ice Hockey contests.*
- *Misuse of the Pass or inappropriate behavior may result in the Pass being revoked.*
