- I-Ready Diagnostic-Fall, Winter, Spring
- I-Ready Progress Monitoring-monthly
- I-Ready Standards Mastery
- Really Great Reading Diagnostic Inventory
- PARCC

## 9-11

- MAPS-Fall, Winter, Spring
- PARCC

# DATA MEETING

Our PLC meetings are held every other Wednesday from 4-5. Our meetings include a facilitator/time keeper and a recorder to enter information into TIE-NET.

Teachers review data and identify students having difficulty. A student action plan is developed (PDSA) for targeted intervention and progress monitoring.

All action plans are reviewed, updated, and changed if necessary. Preliminary SAT referral is also initiated if the team considers it necessary.

# DATA FOLDERS

## K-3

- I-Station Data in Math/Reading
- Phonics
- Fluency
- Comprehension
