

Dear Parents,

In accordance with the governor's mandate, our elementary school will remain closed until April 15th. We are currently working on a plan to offer learning options for all of our students including, curriculum packets, videos, phone conferencing, etc. We appreciate your patience as we work out a plan that is best for our students. We will keep you updated as soon as we have more information. We are working to have these options available by the middle of next week. Please call the school office if there is any updates on your contact information or if we can answer any questions you may have. Thank you so much for your continued support during these difficult times. We are praying for all of our staff, students and their families!
