

Dear Parents,

As I'm sure you are aware, the news and information about Covid – 19 is rapidly changing, and we are doing our best to manage this ongoing challenge as it continues to evolve. The health and safety of our students and staff continue to be our top priority. MPCS is continuing to monitor CDC and FLDOE recommendations and advisements. We will be announcing our continuing education plan Monday 3/23/20 by 3:00 p.m. Curriculum packets will be available for pick up on Wednesday and Thursday of next week. Details outlining the times and locations to pick up student work will be provided. We will be offering phone and video conferencing for students and parents, teacher videos and other supplemental videos. MPCS staff will be working Monday to finalize our educational plan that best meets our students' needs during this unprecedented time. Every teacher will contact all families on her roster to explain the continuing educational plan. The announcement will also be posted on Facebook. Moving forward, teachers will continue to be available to answer any questions you may have. We appreciate your patience and continued support. We will continue to keep our students and their families in our prayers.
