

Dear Parents,

Here at Red Rock Elementary School we have been working diligently to plan our Meals2GO service for distance learning. Beginning on August 5, our school lunch program will differ from the previous service we provided during the end of last school year. Please take time to review the procedures and guidelines for the National School lunch program(NSLP) program beginning with the school year on August 5, 2020.

- We will be resuming under the regular National School lunch program, not the Summer Food Program. This means that only eligible children (students enrolled at Red Rock Elementary) are able to receive meals from Red Rock Elementary.
- Breakfast meals are available to enrolled students at no cost to the family.
- Lunch meals will be available based on eligibility codes:
 - Paid-\$2.45
 - Reduced- \$.40
 - Free
 - Adult \$3.25
- Visitors and guest meals will be charged at the following rates:
 - Child-\$2.45
 - Adult- \$3.25
- Meals that will be served are breakfast for the next day and lunch for the same day.
- If your child was eligible for free or reduced lunch last year there will be a 30 day grace period before the benefits expire unless a new application is received and approved for the current school year. (Applications need to be submitted before September 16, 2020 to avoid disruption of benefits)
- In an effort to avoid any issues with the applications, we will be requesting all families to turn in a benefits application either applying or opting not to apply. (Applications are available for pick up at the school office, when you pick up your child's meals, on our redrockschools.com website or see the attached application).
- Families will receive digital meal cards(attached) for verification of enrollment and meal eligibility at Red Rock Elementary. This card may be printed or saved to your phone and shown during meal pick up.
- Parents and Guardians of enrolled Red Rock students are permitted to pick up meals for their children. Student does not need to be present. (Please have digital meal card provided available during pickup)
- Meals2GO will begin on August 5, 2020 and will be served from 12pm-1pm, Monday-Friday, following the school calendar (excluding holidays), in the back of the school parking lot. Meals will be delivered to the following bus stops in the Missile Base area:
 1. Marylynne Lane/E. Missile Base Road – 12:00pm - 12:10pm
 2. S. Bootleg Court/S. Davis Ranch Road - 12:20pm - 12:30pm
 3. E. Little Crow Road/S. Estancia Drive - 12:40pm - 12:50pm
- If your student is only requesting the free breakfast meal for the next day please specify during pick up to avoid being charged for a lunch meal.

- If your student is on the paid or reduced lunch program we will not be able to provide change for payment. The additional monies will be added to the student's meal account as a credit for later use. Pre-payments will be the same as prior years through <https://www.myschoolbucks.com>, at the meal pick up or by dropping off the payment at the school office. **All payments dropped off will need to have a note attached with the student's full name to be credited to the account accordingly. Change will not be available.**
- If meals are requested by the student or parent/guardian and no payment has been made prior to or during pick up the meals will be added to the students account balance at the applicable rate for the student's eligibility.

If you have any questions, please feel free to contact the front office.
