

March 18, 2020

Dear Red Rock Families,

Red Rock Elementary School will be providing meals for all children 17 years and under with the support of Red Rock Village Church. We **CAN ONLY** serve children that are present; no one can receive a meal if not present. All meals will include both breakfast and lunch along with milk and juice.

Food service will begin on Monday, March 23 from 9:00-10:00 A.M.

To-go packs of lunch will be served daily through the entirety of school closure.

We will have a pull through service at Red Rock Elementary School located in the back parking lot where our bus loading zone is starting at 9:00 AM. We will also be serving out of our buses in the Missile Base area to service our families that live in that area.

There will be two bus stop locations:

1. **Missile Base/Estancia in front of the mailboxes**
2. **Escondido/Estancia at the Escondido Turnaround.**

This too will begin at 9:00AM and last for an hour.

Please remember we want to provide meals for any child 17 years and under, but they must be present to receive a meal bag.

Respectfully,

Peter Dwyer

District Administrator

Red Rock Elementary School District #5
