

Healthy Communities 4 Healthy Students

What is the Healthy Communities 4 Healthy Students project?

- We are testing a program called Family Check Up 4 Health to support children's health and school readiness.
- If you enroll in the study, you will meet with an interviewer once a year over the next 3 years.
- You may also get the chance to participate in the Family Check Up 4 Health program.

How will this help my family?

- If you enroll in the study, you will receive resources to improve your child's health and school readiness.
- You will get up to **\$225** to thank you for participating in the study.

Who can participate?

- All families with **children aged 2-5 years**.
- Your participation is voluntary.
