Early Voting Begins:	October 6, 2021
Last Day to Request an Early Ballot:	October 22, 2021
Date of Election:	November 2, 2021

This information is compliant to A.R.S. 15-511 and conforms to guidelines set forth by the Attorney General.

The Governing Board has called this special bond election to provide funding for construction of a new school. **Why?** To address student enrollment growth, ease crowding of our schools and ensure the health and safety of students.

- Current campus capacity – The City of Avondale has 384 homes permitted through 2021 and another 750 total for the 2021 calendar year: The student population is increasing, and we are expecting to exceed 6,000 students, which is nearing capacity for the Littleton District.

With voter approval:

- \$15 million bond funds would be used to enhance student safety, enhance energy efficiency, purchase student technology, and provide needed building improvements around the district. Also, to complete a new K-8 campus: Construction beginning in 2022 with students starting in the Fall of 2023. Every school will see improvements and will benefit from the technology upgrades.
- Tax-rate change is expected to be 5¢ with average district residential property impact of less than \$3 per month or about 10¢ a day for the life of the bond service.
