## Principal's Message

All children deserve the best educational experience available. Students must feel safe to explore and discover the world around them. Collier Elementary School supports students' academic and social growth with a strong family environment of dedicated and quality staff members who have high expectations for all students, no exceptions. Studies have shown that students in supportive school environments have increased academic motivation and achievement. Collier is a community school where everyone is a member of our family. Our comprehensive K-8 school offers something for everyone. We provide excellent instruction in all content areas, as well as special areas, including Gifted, Art, Music, Band, and Physical Education. Collier is a school where the amazing staff is happy to send their own children. We invite you and your family to make Collier your home away from home.

### *Collier inspires Learners, Leaders, and Innovators.*

We ask you to assist in supporting your child's learning by ensuring that he/she:

- 1) Attends online distance learning daily, be on time, and ready for the day's learning experience,
- 2) Completes all assignments given by teachers,
- 3) Reads daily to improve literacy skills and to help develop a love for reading,
- 4) Shares school experiences with you so that you are aware of his/her school life,
- 5) Informs you if he/she needs additional support in any area or subject,
- 6) Is mindful of your expectations to make good choices and do their best in school every day.

Collier Elementary values your continued patronage. We look forward to a successful and rewarding year!
