

QUENTIN STEM ACADEMY

SHARK NEWSLETTER AUGUST 2020

PRINCIPAL'S MESSAGE

Welcome to the 2020-2021 school year at Quentin STEM Academy. We are excited to “see” all our students as they participate in distance learning. As we navigate this new learning experience here are some things you can do to help your student be successful: ensure they attend “class” daily and on time; ensure they complete all learning assignments; they read daily; and ask your student how their learning experience is going so additional help can be provided if needed.

TECHNOLOGY

We will begin the school year using a distance learning instructional model. Students will engage in learning with their teacher and the curriculum using Google Classroom and Google Meets along with the online components of Wonders, Big Ideas, Study Sync, and Go Math. If you would like to know more, reach out to your child’s teacher.

MYD

Make Your Day is the school-wide citizenship program utilized at Quentin STEM Academy. Make Your Day is based on a philosophy that promotes development of an internal locus of control in students.

CLASSROOM HAPPENINGS

As our students return to school the first few weeks will be focused on building relationships and getting to know one another. Additionally, students will participate in pre-assessments to identify their current academic level in our online learning programs.
