February 28, 2020

Dear Parents/Guardians:

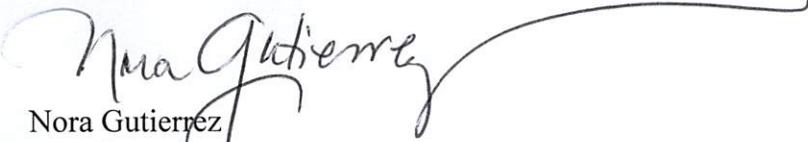

Many of you have seen reports on the news about the Coronavirus.

TUHSD is monitoring information from the Maricopa County Department of Public Health. The County Health Department has issued a letter for parents/guardians that is attached to this email. This information will also be posted on the district and school websites.

Here is what TUHSD is doing to be proactive:

- Educating Staff, Students and Parents on preventative best practice behaviors to help reduce the spread of communicable diseases.
- Following recommendations as described in the attached letter.
- Communicating information from the Maricopa County Department of Public Health as it becomes available.

TUHSD is doing its part to communicate to parents regarding any information we receive from the County. Please read and heed the suggested steps outlined in the letter from the Maricopa County Health Department.

Nora Gutierrez
Superintendent
Tolleson Union High School District
