

TOLLESON UNION HIGH SCHOOL DISTRICT NO. 214

**GOVERNING BOARD MINUTES
REGULAR MEETING
TUESDAY, FEBRUARY 25, 2020**

DISTRICT ADMINISTRATIVE CENTER
9801 W. VAN BUREN STREET
TOLLESON, ARIZONA

Prior to the Governing Board meeting, there was a special performance by TUHS Mariachi Oro students, directed by Mr. Alex Hernandez, Music Teacher.

The Tolleson Union High School District No. 214 Governing Board meeting was called to order at 6:07 p.m. by Governing Board Vice President Mr. Freddie Villalon with the following members present: Mr. Steven Chapman, Dr. Kino Flores, and Mr. Devin Del Palacio (telephonically), Members. Governing Board President, Ms. Corina Madruga was absent.

2. Pledge of Allegiance

Vice President Villalon asked Dr. Flores to lead the pledge of allegiance.

3. Approval of the Regular Agenda

Mr. Chapman moved to approve the Regular Agenda; seconded by Mr. Del Palacio. In a roll call vote, the motion carried 4-0.

4. INFORMATION ITEM

A. Superintendent Student Council District-Wide Update

Tolleson Union High School students Ranger Adams, 12th grade, and Audacity Madrid, 11th grade, representing the Superintendent Student Council, provided an update for each of the TUHSD schools.

(Ranger)

Good evening Vice President Villalon, members of the Board and Superintendent Gutierrez.

My name is Ranger Adams and I am a senior at Tolleson Union High School and one of the Student Representatives for tonight's Board meeting, along with my fellow Wolverine, Audacity Madrid.

Superintendent Gutierrez created the Superintendent Student Council, consisting of two students from each high school across our district. We meet monthly to discuss celebrations, happenings at our schools, as well as concerns, with a focus on student academic achievement, which is not only a focus from the Superintendent, but for us as well.

Schools have been hosting Future Freshmen Nights. It's great to see participation from sports, clubs and departments as future freshmen and their families check out the various options available to them in high school. West Point Leadership Academy is hosting a separate Future Freshman Night to share information about their unique school within a school program.

University High will be hosting the Odyssey of the Mind Regionals on Saturday, February 29th from 8:30 a.m. - 6:30 p.m. There will be over 45 teams competing with more than 1,000 people expected to attend, including students, parents and spectators. Odyssey of the Mind is a creative problem-solving program involving student team members working together at length to solve a predefined long-term problem and presenting their solution to the problem at the competition.

We are all focusing and preparing for upcoming tests, including AZELLA, AZM2, NWEA, and ACT's. At our meeting with Superintendent Gutierrez, we discussed the importance of tutoring that is available to all students in the District at no cost. At U-High, tutoring is mandatory for every student. Although it's optional for other schools, we should all think about taking advantage of this free support.

National School Counseling Week was February 3rd through 7th. Schools came up with creative ways to let their counselors know how much they are appreciated.

Speaking of Counselors, they are busy discussing e-caps and connecting college representatives with students. We really do appreciate the support and guidance our counselors offer us!

I would like to share with you a little bit about my life. I have always been a hard worker and prefer to challenge myself to be the best I can be. Academically, this meant making the Principal's Honor Roll every year of 1st through 8th grades. This was not an easy task because I attended Alhambra Traditional School, which was a magnet school where students had to be tested and selected to attend. When I entered Tolleson as a freshman, I took regular classes and quickly realized that I was not challenged. So, my sophomore, junior and senior years, I have taken AP and Honors classes. They have definitely challenged me in a good way and have pushed me so that I can set a goal and accomplish it. I have a twin sister that also enjoys being challenged academically. We encourage each other to succeed with a friendly sibling rivalry. So far in high school, I have gotten straight "A's" with only one "B".

After graduation, I will be serving on a 2-year mission for my church. I plan to start my mission the beginning of July. After that, I plan to attend BYU in Idaho, working towards a profession in physical therapy and recovery. I hope to serve veterans or victims of traumatic events. I look forward to helping people and making a positive difference in their lives.

I appreciate the time and support I have received at Tolleson over the past 4 years. Thank you for setting me up for a successful life and a college opportunity.

(Audacity)

Good evening; I am Audacity Madrid, a junior at Tolleson Union High School.

I would like share updates from schools across the District.

Congratulations to the following District Teams, who are AIA Region Champions:

La Joya - Boys Basketball
Sierra Linda - Girls Basketball
Copper Canyon - Boys Soccer

Wolverine Winter Guard, comprised of both Tolleson and U-High students, recently placed 5th out of 9th in their round.

Tolleson High School Concert Band had their first performance this month. They received a rating of “Excellent”, which is the first time they have been given that rating in many years. Their next concert competition will be on February 27th. They are hoping to and working hard to score “Superior”.

I am a member of the Tolleson and U-High environmental and sustainability club called “Project Green”. The club focuses on building a positive community and improving environmental awareness through gardening. Since the club’s establishment, we have accomplished the construction and maintenance of a greenhouse and tower gardens. We are excited to report that we have received approval to begin a community market at Tolleson City Hall!

Here are upcoming dates for the community market. Project Green Team members would greatly appreciate the community’s participation on:

- ✓ Saturday, March 7th
- ✓ Saturday, April 4th
- ✓ On March 7th, Project Green will be participating in the Tolleson Latin Music Festival by setting up a stand and selling produce that we’ve grown in the greenhouse.
- ✓ On April 4th, Project Green will be inviting many local vendors to our first community market hosted at Tolleson City Hall. The club again will be selling produce from our greenhouse and everyone is invited.

Schools are hosting assemblies this month, where junior classes will announce the themes and locations of proms.

Allow me to share with you some information about myself. I attended Sun Canyon Elementary School near Sierra Linda. I made Gold Honor Roll with straight “A’s” every year. I was also involved with student council and had the opportunity to be President and gain leadership skills. I was student council President 3 times in my life: once in elementary and twice in middle school. I have volunteered with Special Olympics since 4th grade and love it. I absolutely love working with the kids; they are so sweet and fun to be around. I always smile when I am with them!

I am a member of NHS and hope to be President of the club next year. I also enjoy playing basketball and have played since 6th grade. Basketball is a stress-reliever for me; I can immerse myself in the game and not think about anything else. I enjoy being part of a team and competing. Of course, winning is best!

When it was time for me to attend high school, I wanted a fresh start. So, I came to Tolleson, where my parents attended many years ago. I enjoyed making new friends and having new experiences. At Tolleson, I take AP and Honors classes. They are just my speed and I enjoy the rigor of these advanced courses. I continue to get straight “A’s” and plan to do so through graduation.

My freshman year at Tolleson, a program was introduced to us call STEP. STEP's mission is to educate and empower low-income Arizona high schoolers to enroll in and graduate from college. STEP's focused guidance includes: preparing for and applying to top colleges; securing scholarships to make college affordable; navigating the transition from high school to college; and advocating for ourselves in college and life. I was accepted into STEP and started the program my sophomore year. STEP has provided me with information and guidance as I work my way to college. I am proud to say that I plan to be the first person in my family to attend and graduate from college.

I got some great news last Wednesday; I found out that I am a semi-finalist for Leadership Enterprise for a Diverse America (known as LEDA), a summer program at Princeton. Only 100 kids across the country are selected. LEDA is dedicated to diversifying the national leadership pipeline by helping high-achieving students from under-resourced backgrounds by supporting their higher education and professional success in order to create a more inclusive and equitable country.

With support from my parents, as well as Tolleson classes, teachers, my guidance counselor, the STEP program, and LEDA, I am confident I will be successful with my goals and dreams of becoming a Holistic Psychiatrist.

On behalf of the entire Superintendent Student Council, thank you for allowing us this opportunity to share our highlights.

6. SUMMARY OF CURRENT EVENTS

Superintendent – Mrs. Nora Gutierrez

- We have great news for our Business Services Department, under the direction of Mr. Jeremy Calles, Chief Financial Officer. Standard and Poor, commonly known as S&P, has raised our District’s rating to “AA” from “AA-”.

This means that S&P and Moody’s now both have awarded TUHSD with the highest credit rating that they give to any Arizona School District. Thanks to the focus and hard work of Mr. Calles, the Business Services Department, and support from across the District, TUHSD got the upgrade it was looking for!

You’ll remember that Moody’s kept our excellent rating at Aa1, putting us in the same category as other school districts such as Kyrene, Chandler, Paradise Valley and Scottsdale. According to Moody’s, the Tolleson Union High School District benefits from a sizable and rapidly growing tax base in a growing portion of the Southwest Valley.

Amongst the credit strengths that Moody’s noted were:

- ✓ Extremely robust reserves, well above our peers
- ✓ Participation in the fast-growing southwest portion of the Phoenix metropolitan area
- ✓ Benefits enrollment, wealth and income trends
- ✓ As well as a strong and experienced management team

Congratulations to our Chief Financial Officer, Mr. Jeremy Calles, and his exceptional Business Services Team.

- On Saturday, February 29th we will be celebrating the District's Annual Native American Cultural Event at the District Office from 11 a.m. until 1 p.m. Special guests will include Miss Indian Arizona, Audriana Mitchell; a Native American Dance Group called Indigenous Enterprise; and storyteller, author and educator, Violet Duncan. The event is open to the public, so we hope to see you all there.
- As part of Black History Month, Sierra Linda High School presented the Arizona Buffalo Soldier's last Thursday in the cafeteria. Originally, Buffalo soldiers were African American soldiers who mainly served on the Western frontier following the American Civil War. In 1866, six all-black cavalry and infantry regiments were created after Congress passed the Army Organization Act. Buffalo Soldiers originally were members of the 10th Cavalry Regiment of the United States Army, formed on September 21, 1866, at Fort Leavenworth, Kansas. This nickname was given to the Black Cavalry by Native American tribes who fought in the Indian Wars.
- At this time I invite Mr. Juan Ceja, Assistant Superintendent of Human Resources, to come forward and provide you with an update on the recent Job Fair, as well as hiring and retention information.
- Russ Cannizzaro, Art Teacher at Westview High School, has had his artwork accepted by the Vatican Museum of Contemporary Art. Mr. Cannizzaro's painting, titled "O' Holy Night!" is an original painting created in a 16"x 20" scale and he is now recreating the painting in a larger scale (32" x 40") for the Museum at their request. This painting will then go on tour here in the U.S. with its last exhibit being at the St. Vincent de Paul's Annual Donors Event held at the Phoenician in November. Mr. Cannizzaro and his wife, Laurie, will fly to Rome on December 27th to personally deliver the painting to the Vatican Museum. Congratulations to Mr. Cannizzaro!

Mr. Cannizzaro presented a signed print of his painting "O' Holy Night" to the Tolleson Union High School District. Vice President Villalon accepted the artwork on behalf of the Governing Board.

- Those are just some of the highlights of our district since we last met. Thank you.

Governing Board Comments

- Mr. Chapman thanked everyone for being here tonight. He shared that he had the opportunity to judge a State DECA competition. DECA prepares emerging high school leaders and entrepreneurs for careers in marketing, finance, hospitality and management.
- Vice President Villalon thanked all in attendance for supporting our amazing students.

7. PUBLIC PARTICIPATION

No public participation requests were received.

8. APPROVAL OF THE CONSENT AGENDA

Prior to approval of the Consent Agenda, Superintendent Gutierrez noted that there are two corrections to the Personnel Items under Administrative Staff Resignations:

1. Lindsey Robertson, Copper Canyon Assistant Principal's effective resignation date was February 14, 2020.
2. Edwin Ramos, is an Assistant Principal at La Joya Community High School, not Copper Canyon.

Mr. Chapman moved to approve the Consent Agenda with the corrections noted above; seconded by Dr. Flores. In a roll call vote, the motion carried 4-0.
