CHILD FIND NOTICE

Tolleson Union High School District is responsible for identifying, locating and evaluating all children with disabilities eligible for high school through 21 years and for referring children from birth through two (2) years of age to an Arizona Early Intervention Program. Children from three (3) years to 13 or 14 years of age will be referred to the elementary school district in which the student resides for evaluation and appropriate services.

Tolleson Union High School District is looking for any student who may need specialized instruction or specialized equipment. For all students new to the District, the teacher will complete screening activities within 45 calendar days of enrollment. The teacher and counselor will look at the student’s ability in the areas of academics, vision, hearing, adaptive, communication, social/emotional and motor skills. If any concerns are noted, the student may be referred for additional help.

If you are aware of a child who may be in need of special education services, please contact the Counseling Office at your high school.

CONCERNS AND COMPLAINTS PROCESS

It is the objective of the District to resolve any concerns or complaints at the lowest level, starting first with the classroom or homebound teacher before progressing to the principal, and then on to the administrators at the District Office. The District has comprehensive policies to address public concerns and complaints related to personnel, instructional resources or facilities and services. More information on these policies and the complaint process can be found through the Principal’s Office at your school and in the policy section KE-Public Concerns in the Governing Board Policy Manual. The Manual is available in its entirety on the internet at www.tuhsd.org (select District, select Governing Board and select Arizona School Boards Association link.

As part of the community, we support efforts to reduce air pollution and improve our quality of life. We encourage you, whenever possible to share the ride to work – by carpooling or vanpooling, taking the bus, riding your bicycle, or if you live near enough walking to work.

This year we have a new way to register as an Alternative Mode User. You can sign up on line. Please look at the bulletin boards at your school, or contact your school site coordinator for instructions. For those of you who have already signed up this year, you will have to sign up again using the new website. This new registration avenue will also make it possible for you to win even more prizes compliments of Valley Metro. It is really easy. Just go to: ShareTheRide.com and sign up.

Our school district, along with hundreds of other agencies and companies in the Valley, is affected by the Maricopa Trip Reduction Program. The goal of the program is to reduce drive-alone travel to work. In our effort to comply with the program – and to make commuting less stressful and more convenient for you – we offer a number of commute related benefits. These include:

New Alternative Mode Users are awarded an incentive for registering. All Alternative Mode Users are entered into drawings throughout the year.

ATTENDANCE POLICY

STUDENT ATTENDANCE
(Governing Board Policy JE)

The parent/guardian is charged by law with responsibility for the student's consistent school attendance. The superintendent will enforce the laws regarding attendance, with consideration for the variables that affect children and families. The superintendent will place emphasis on the prevention and correction of the causes of absenteeism.

ATTENDANCE / TARDY POLICY

Daily attendance and punctuality are of the utmost importance to student success. Students are expected to take responsibility for attending all classes and for arriving to class on time.

NOTIFICATIONS OF ABSENCE

All unverified absences will result in an electronic/auto dialer contact to the home.

ATTENDANCE REVIEW PROCESS

Pursuant to Arizona Revised Statutes (ARS) – Title 15 Education – Section 15-803, School Attendance, Section B. – “A child who is habitually truant, or who has excessive absences may be adjudicated an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten per cent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1.”

In accordance with ARS 15-803, the Tolleson Union High School District employs an Attendance Review Process. When a student reaches a total of thirteen (13) unverified period absences in any class, per semester, they are subject to the Attendance Review Process. The outcome of the Attendance Review Process may result in loss of credit for the class or classes in which the student has accrued thirteen (13) unverified absences.

RESPONSIBILITIES

Parent/Guardian

Provide the local school’s registrar with accurate, up-to-date information concerning physical address, email address and phone numbers. Schools must be able to communicate with each student’s parent/guardian at any given time.

Upon notification by the parent/guardian of an extended absence due to illness or accident, the school counselor will provide information to the parent regarding chronic illness or homebound services.

Excused absences are those absences approved by school or district policy. Students are responsible for having their parent/guardian call the school if the absence is to be excused. Parents/Guardians are asked to call the Attendance Office on the day of the absence to excuse the student from school for that day. Failure to call the school to report an absence within 24 hours of each day’s absence may result in the absence being unexcused. Parents/Guardians must provide the following when calling the school to report a student absent:

- Student name and identification number
- Day(s) absent and reason for the absence
- Address/phone number where we can reach the parent if needed
Report EVERY absence to the school by calling the Attendance Office at:

- CCHS (623) 478-4801
- LCHS (623) 478-4402
- SLHS (623) 474-7701
- TUHS (623) 478-4201
- UHS (623) 478-4201
- WPHS (623) 474-8701
- WHS (623) 478-4601
- CEA (623) 478-4120
- LA (623) 478-4377

**Teacher**
Consistently informs all students of Attendance Policy and adheres to the Attendance Policy.
Contacts the parents/guardians when there are successes or concerns with the student.
Keep accurate and current attendance records.

**Administrator**
Informs parents/guardians and students of Attendance Policy, conducts appeal hearings and enforces Attendance Policy.

**Tardy**
Punctuality is one of the self-disciplines students are encouraged to learn and practice. Students are expected to be on time for school throughout the year. Tardiness is the failure to arrive on time and is considered a form of absence. Students arriving late to school will be sent to sweep. Parents/Guardians are permitted to sign their student in late to school three times per semester. After three times, the student will be sent to sweep, regardless of the reason.

**Sweep**
Each passing period, students will receive a 1st bell as a warning to go to their assigned classroom. Students who are late to class and do not make it all the way into the classroom by the time the 2nd bell stops ringing will be sent to sweep for the remainder of that class period. If a student is sent to sweep twice in the same day, the student will be assigned to On Campus Reassignment (OCR) for the rest of the day.

Additional consequences will be assigned to those students considered chronically tardy.

- 5th sweep – 1 day OCR or after-school detention
- 7th sweep – 2 days OCR and parent contact
- 9th sweep – 3 days OCR, parent meeting, and behavior contract
- 11th sweep – Off campus suspension
- 13 or more sweeps – Subject to additional off-campus suspension to long-term suspension

**Truancy Laws**
Truancy is against the law in Arizona. The law is designed to enhance the opportunity for students to receive the maximum benefit of an education. A.R.S. §15-802; A.R.S. §15-803; A.R.S. §15-901

- The parent/guardian of a person between the ages of 6-16 must enroll the child in school.
- If the parent/guardian choose(s) a private or home school setting, an affidavit must be submitted to the County School Superintendent within 30 days.
- “Ditching” one or multiple classes is considered being truant. Failure to attend school regularly could mean fines, community service, counseling and/or revoking driving privileges.
- Failure to comply with A.R.S. 15-803 may result in student and/or parent/guardian being cited through Maricopa County Court Unified Truancy Suppression (C.U.T.S.) program.
SIGN OUT POLICY
For safety and security reasons, all students must be signed out of school when they are leaving due to appointments, illness, etc. A parent/guardian or previously documented designee with valid picture ID must personally sign out any student who wishes to leave campus. Upon receipt of the signature & ID, the Attendance Office will permit the student to leave campus. For security reasons, staff will be unable to release a student within 20 minutes of dismissal time and any student in an activity class will need to be released during the next passing period. (ie. Dance, PE)

CAMPUS PASSES
On the rare occasions that teachers grant permission for a student to leave class, the teacher will issue a pass for the student. Any student out on campus during class time without a pass will be considered truant and subject to disciplinary action.

ATTENDANCE/HOMWORK/MAKE-UP WORK
The staff and administrative team of Tolleson Union High School District believe that attendance is vital to each student’s success. We encourage parents/guardians and students to be attentive to homework and any make-up work that might result from missing school. This is the responsibility of the student in conjunction with the established rules within each individual teacher’s class policies. If a student is placed in On-Campus Reassignment (OCR) or suspended In-School/Off-Campus, classwork and homework can be requested via ParentVue or StudentVue or may be collected by the school and held in the front office for the parent/guardian to pick up.

STUDENT CONDUCT/DISCIPLINE PROCEDURES AND PENALTIES

PURPOSE OF REGULATION
The purpose of this Regulation is to: (1) define conduct that may result in discipline of a student and (2) set forth due process procedures for various types of discipline.

APPLICATION OF REGULATION
(Governing Board Policy JIC, JK)
A student who engages in conduct prohibited by this Regulation may be disciplined. Discipline may include, but is not limited to, any one or any combination of the following: oral reprimand; parent conference; detention; temporary exclusion from the classroom; loss of privileges; withdrawal from class; in-school or off-campus suspension or expulsion; referral to appropriate law enforcement agency.

These policies and procedures will apply to all students traveling to, attending, and returning from school, and while visiting another school or at a school-sanctioned activity, or in any other situation in which the District may lawfully exercise its authority to discipline a student.

It is anticipated that any two or more violations of the same rule or any combination of the rules will result in more severe penalties than the guidelines for a single offense.

In-school suspension programs should be utilized in lieu of off-campus suspension as the preferred means of discipline for students unless otherwise deemed appropriate by the principal/designee. Violations which create clear and present danger to persons shall not be a consideration for in-school suspension programs.

Long-term suspensions and other penalties that affect the completion of a semester may result in the loss of credit for the courses affected. A student’s discipline record is cumulative until graduation.
DEFINITIONS OF TERMS RELATED TO DISCIPLINE PROCEDURES

CLEAR AND PRESENT DANGER
Case law has defined a clear and present danger as a threat to the health, safety or welfare of the public.

- “Clear” has been interpreted to mean that the threat of danger is real or actual, not speculative or imagined.
- “Present” means that which exists as opposed to what does not yet exist or has ceased to exist.

DETENTION
“Detention” is defined as any one or more of the following activities to which a student may be assigned for a specified number of days as a penalty for misconduct.

- In-classroom detention: A student may be required to report to a teacher’s class before school, after school or during lunchtime.
- Before school/after school detention: A student may be required to report to a specific school location.
- Work detail: A student may be required to perform tasks assigned by a school official. These tasks may be assigned to be completed, but are not limited to, before school, after school, during lunchtime, Sweep, OCR, In-School Suspension or on Saturdays.

DUE PROCESS
(Governing Board Policy JIA)
Due process consists of a set of constitutionally required procedures designed to ensure that every student is treated fairly in determining whether or not the student’s conduct justifies discipline.

EXPULSION
(Governing Board Policy JKE)
“Expulsion” is defined as the permanent exclusion of a student from school. The authority to expel a student rests exclusively with the Governing Board.

NEW EVIDENCE DISCOVERED
Newly discovered evidence consists of evidence of a new and material fact or new evidence in relation to a fact in issue, discovered by a party to a cause after the rendition of a verdict or judgment. It can also be testimony discovered after the hearing that was not discoverable before the hearing by exercise of due diligence. It may also refer to evidence of facts existing at the time of hearing of which the aggrieved party was excusably ignorant.

SCHOOL DAY
A “school day” is defined as any day school is in session.

SCHOOL YEAR
For the purpose of discipline procedures, the “school year” is defined as any two consecutive semesters: fall-spring or spring-fall.
SEXUAL MISCONDUCT, HARASSMENT, AND/OR HAZING OFFENSES
(Governing Board Policies JIC, JICFA and JICK)

All individuals associated with this District including, but not necessarily limited to, the Governing Board, the administration, and all other employees, students, and members of the public while on campus, are expected to conduct themselves at all times in a manner that provides an atmosphere free from sexual harassment. Any person who engages in sexual harassment while acting as a member of the school community or while on school property will be in violation of this policy.

Sexual harassment consists of unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature when made by a member of the school staff to a student or to another staff member or when made by a student to another student or staff member. Sexual harassment may include, but is not limited to:

- Assault, touching, impeding, or blocking movement, and lewd gestures.
- Implying, withholding, offering, or granting favor of educational or employment benefits such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, etc., in exchange for sexual favors.
- Continuing to express sexual interest after being informed that the interest is unwelcome.

Sexual harassment may include, but is not limited to:

Any student who is subject to sexual harassment, or who knows of the occurrence of such conduct, should immediately inform the principal or other site administrator.

A substantiated charge against a student in the District shall subject that student to disciplinary action, which may include suspension or expulsion.

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. For purposes of this policy, a person as specified above shall be considered a "student" until graduation, transfer, promotion, or withdrawal from the District school.

"Hazing" means any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an education institution.
- The act contributes to a substantial risk of potential physical injury, mental harm, or degradation, or causes physical injury, mental harm, or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing. In accord with statute, violations of this policy do not include either of the following:

- Customary athletic events, contests, or competitions that are sponsored by an educational institution.
- Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program.
**SUSPENSION**  
(Governing Board Policy JKD)

“Suspension” is defined as the exclusion of a student from regular classes.

- **Long-term**: The exclusion of a student from class for a period of eleven school days or more.
- **Short-term**: The exclusion of a student from class for a period of ten school days or less.
- Students with a disability may be entitled to a review of placement prior to a long-term suspension or expulsion.

**THREATENING AN EDUCATIONAL INSTITUTION**  
(Governing Board Policy JK)

Any threat (verbal, written, or electronic) by a person to bomb or use other substances or devices for the purpose of exploding, burning, causing damage to a school building or school property, or to harm students or staff (National Forum on Educational Statistics, Safety in Numbers).

The District will adhere to all federal and state requirements and procedures for students afforded protection under Section 504 of the Rehabilitation Act and/or the Individual with Disabilities Education Act (IDEA).

---

**DUE PROCESS RIGHTS OF STUDENTS**

As directed by the *United States Constitution* and interpreted by the courts, every student is entitled to due process before he/she may be suspended or expelled from school.

**PROVISIONS**

**EXCLUSION FROM CLASS**

If a student’s conduct in class disrupts the educational process or if the student persists in willful misconduct, a teacher may exclude the student from class for the remainder of the class session that day.

The teacher will explain to the student the reason he/she is being excluded from class and issue the student a pass to the appropriate administrator. Also, a Student Conduct Referral form will be completed and given to the appropriate administrator explaining the offense committed by the student.

A conference will be held with the student by an administrator to determine what action will be taken.

**SHORT-TERM SUSPENSION**  
(Governing Board Policy JKD)

A short-term suspension is for a period of ten school days or less.

During the conference with the student regarding any alleged violation, and prior to the imposition of the suspension, the administrator will advise the student of the allegations and evidence supporting the charges of misconduct. The student will be given an opportunity to explain his/her version of events dealing with the alleged misconduct.

For all short-term suspension hearings which may result in a student being excluded from school for ten school days or less, a record shall be made of the action taken by the administrator.
If, as a result of the informal short-term suspension hearing, the student is suspended, the following procedure will be followed:

1. An attempt will be made to notify parents by telephone.
2. Written notification will be made to the address on file at the school.
3. The student’s teachers, counselor, school registration and security will be advised.
4. The student may be required to complete class assignments on an in-school suspension basis.
5. If the student is a child with a disability under the Individual with Disabilities Education Act (IDEA) as amended, or Section 504 of the Rehabilitation Act of 1973, see Suspension and Expulsion of Students with Disabilities.

**THERE IS NO APPEAL AVAILABLE FOR SHORT-TERM SUSPENSION.**

**LONG-TERM SUSPENSION**
(Governing Board Policy JKD)

If it is determined by the administration that the alleged student misconduct is serious enough to recommend a long-term suspension, eleven school days or more, notification of a formal due process hearing will be made to the parent(s) at least five school days prior to the hearing.

The parent(s) will be advised of the time, date, place of the hearing; a description of the alleged misconduct; the board policy or administrative regulation violated and discipline prescribed therein; and will be given a statement that they have the right to present witnesses. Students and/or parent(s) have a right to be represented by legal counsel. Notice must be given to the Superintendent’s Office at least 48 hours before the hearing if the student or his/her parent(s) will have an attorney or other representative(s) present.

At the conclusion of the hearing, the hearing officer will render a decision and notify the parent(s) and student within 24 hours. This notification will be made by mail.

During the period of time between the alleged misconduct and the day of the hearing, the student may remain in school unless a short-term suspension has been imposed or it has been determined by the appropriate administrator that he/she is a clear and present danger to self or others.

If the student is a child with a disability under the Individuals with Disabilities Education Act (IDEA) as amended, or Section 504 of the Rehabilitation Act of 1973, see wording on following page(s) on Suspension and Expulsion of Students with Disabilities.

**APPEAL PROCESS**
(Governing Board Policy JKD)

Parent(s) of the suspended student or the student must deliver to the Superintendent a letter directed to the Board within ten (10) days following the date of the long-term suspension hearing. The letter must describe in detail any objections to the hearing or the decision rendered.

The Board will review the evidence and respond to the parents’ or the student’s appeal during the executive session portion of a Board meeting.

**EXPULSION**
(Governing Board Policy JKE)

Expulsion is the permanent exclusion of a student from school and school activities due to serious violations of student conduct. The authority to expel a student rests exclusively with the Governing Board.
The superintendent will make any recommendation to expel a student to the Governing Board based upon the results of a student due process suspension hearing conducted by a district hearing officer. There is no administrative appeal from the Governing Board’s decision to impose discipline.

**PRIMARY LANGUAGE OTHER THAN ENGLISH**

If the student’s parent(s) inform the Superintendent that the primary language used in the home is other than English, all documents sent to the student or parent(s) will be in both English and, if practical, the primary language used in the home. If the services of an interpreter are needed at the hearing, the parent(s) shall contact the Superintendent or designee at least 24 hours prior to the hearing to request an interpreter.

**SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES**

(Governing Board Policies JKD and JKE)

**INTRODUCTION**

All students should generally expect to be disciplined pursuant to the same standards of conduct and due process procedures. Students with disabilities, however, as defined by the Individuals with Disabilities Education Act (IDEA) as amended (20 U.S.C. 1400, *et seq*.), and Section 504, receive additional legal rights in some instances. A separate process has been developed to determine what discipline to impose on children with disabilities that are consistent with the requirements of the IDEA.

**EMERGENCY SUSPENSION AND TEMPORARY EXCLUSION FROM CLASS OF A STUDENT WITH A DISABILITY**

A student with a disability may be temporarily removed from class and/or may receive an emergency short-term suspension using the same procedures that are used for a student without a disability.

**SHORT-TERM SUSPENSION OF A STUDENT WITH A DISABILITY**

A short-term suspension may be imposed on a student with a disability pursuant to the following procedures:

**Discussion with the Student:** A school administrator authorized to suspend a student from school shall inform the student of the alleged misconduct and shall describe to the student the evidence known at the time to support the allegations of misconduct. The notice may be given to the student orally or in writing. The administrator shall invite the student to discuss with the administrator his/her version of the situation. The student at that time has an opportunity to rebut or explain the allegations of misconduct.

**Discussion with a Special Education Professional:** The school administrator must contact the person on campus designated by the District as being responsible for managing or administering special education and/or 504 Plans. The school administrator shall discuss with the designee the student’s alleged misconduct. The designee shall advise the school administrator on the procedures to be followed in effecting a short-term suspension and ensuring that an actual or constructive change of placement does not occur without a review of such placement.

**Decision to Impose Suspension:** If, as a result of the above discussion, the administrator determines that the student engaged in the misconduct and a short-term suspension is imposed, the student’s parent(s) shall be informed of the suspension. A child with a disability cannot be given intermittent short-term suspensions during one academic year that cumulatively would constitute a change of placement, without first conducting a Manifestation Determination review.

**Request to Review Placement:** The parent, administrator, designee or teacher may request an Individualized Education Placement (hereinafter referred to as “IEP”) review at any time to review the student’s special education program and revise it, if necessary.
LONG-TERM SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES
(Governing Board Policies JKD and JKE)

Mandatory Manifestation Determination Review: Before a student with a disability receives a long-term suspension or is expelled, Manifestation Determination review shall be conducted followed by a long-term suspension hearing or expulsion hearing where appropriate. The purpose of the Manifestation Determination review is to determine whether the student’s alleged misconduct is, or is not, the manifestation of his/her disability, whether the student’s education placement is appropriate, and to develop or review the student’s behavioral intervention plan. The Manifestation Determination review shall be conducted by the Individualized Education Program (IEP) Team, as defined by the IDEA (20 U.S.E. 1400 et seq.), or 504 Placement Team, and must include the campus administrator who is responsible for discipline.

The IEP Team Must Ensure That Any Change in the Student’s Educational Placement Comply with the Least Restrictive Environment Provisions of the IDEA: The entire appropriate placement options available on campus must be explored prior to the student being referred to an off-campus placement. The continuum of placement options shall include, but not be limited to: regular education classes with development of a behavioral intervention plan; more restrictive regular education classes, special education resource support, special education self-contained classes, in-school suspension where the IEP continues to be implemented by qualified staff; and revising the IEP to add or increase the level of support services. A behavioral intervention plan must be developed and implemented for every student who exhibits significant behavioral problems.

Notice of Manifestation Determination Review: Notice of the Manifestation Determination review shall follow the notification requirement of the IDEA (20 U.S.E. 1400 et seq.).

Decision That Discipline May Be Imposed: A due process hearing for long-term suspension or expulsion may occur at any time; however, any recommendation for imposing discipline must be held in abeyance until a Manifestation Determination review has been held and a determination made regarding whether the behavior was a manifestation of the student’s disability. If it is determined that the student’s misconduct is not a manifestation of the student’s disability, the recommended discipline may then be imposed. The IEP Team will also determine whether, and to what extent, services must continue during any period of long-term suspension or expulsion in order to comply with the IDEA (20 U.S.E. 1400 et seq.).

Decision That Discipline May Not Be Imposed: If the IEP Team determines that the misconduct is a manifestation of the student’s disability, the student may not be suspended or expelled for that behavior. The IEP Team will conduct or update the student’s functional behavior assessment and develop or review the student’s behavioral intervention plan to determine whether revisions are needed and whether a change in the student’s educational placement is necessary in order to meet his/her special education needs.

Emergency Procedures for Weapons, Drug, or Serious Bodily Injury Violations: When a student with a disability is charged with drug or weapon offenses or serious bodily injury, any emergency provisions permissible under the IDEA may be employed.
APPEAL OF ADMINISTRATIVE DECISION

The student’s parent(s) may appeal the decision made at the review of placement pursuant to the provisions of the IDEA (20 U.S.E. 1400 et seq.) and the regulations thereunder.

The procedural safeguards of the IDEA apply to all decisions which affect the identification, evaluation, placement, and provisions of a free appropriate public education to students with disabilities, including disciplinary decisions. A copy of the procedural safeguards shall be provided to the parent(s) whenever a review of placement occurs.

J-3632

STUDENT CONCERNS, COMPLAINTS, AND GRIEVANCES

Students may present a complaint or grievance regarding one (1) or more of the following:

- Violation of the student's constitutional rights.
- Denial of an equal opportunity to participate in any program or activity for which the student qualifies not related to the student's individual capabilities.
- Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability.
- Concern for the student's personal safety.

Complaints and grievances related to allegations of student violence, harassment, intimidation or bullying are to be filed in accordance with Board Policy JICK.

Provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this District, and
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act.

The guidelines to be followed are:

- The accusation must be made within thirty (30) calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance.
- The complaint/grievance shall be made only to a school administrator or a school staff member.
- The person receiving the complaint will gather information for the complaint form.
- All allegations shall be reported on forms with the necessary particulars as determined by the superintendent. *Forms are available in the Student Services building.*
- The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law.

Any question concerning whether the complaint or grievance falls within this policy shall be determined by the Superintendent.

A student or the student’s parent or guardian may initiate the complaint process by completing Exhibit JIII-EA.

A complaint or grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty (30) calendar days from the date of the occurrence of the alleged incident. False or unproven complaint documentation shall not be maintained.
Retaliatory or intimidating acts against any student who has made a complaint under the District policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

When District officials have a reasonable belief or an investigation reveals that a reported incident may constitute an unlawful act, law enforcement authorities will be informed.

J-3232

STUDENT VIOLENCE/HARASSMENT/INTIMIDATION/BULLYING

The Governing Board of the Tolleson Union High School District believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Governing Board further believes a school environment that is inclusive of these traits maximizes student achievement, fosters student personal growth, and helps a student build a sense of community that promotes positive participation as citizens in society.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying in any form will not be tolerated.

Bullying: Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that:

- Has the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or damage to property.
- Is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm.
- Occurs when there is a real or perceived imbalance of power or strength.
- May constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to:

- Verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying.
- Exposure to social exclusion or ostracism.
- Physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting.
- Damage to or theft of personal property.

Cyberbullying: Cyberbullying is, but not limited to, any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications, on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

Harassment: Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment
include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual preference, cultural background, economic status, size or personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

**Intimidation:** Intimidation is intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists. Disciplinary action may result for bullying which occurs outside of the school and the school day when such acts result in a substantial physical, mental, or emotional negative effect on the victim, while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

Students who believe they are experiencing being bullied or expect another student is bullied should report their concern to any staff member of the School District. School personnel are to maintain appropriate confidentiality of the reported information.

Reprisal by any student directed toward a student or employee related to the reporting of a case or a suspected case of bullying shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable District policies and administrative regulations.

Students found to be bullying others will be disciplined up to and including suspension or expulsion from school.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

Law enforcement authorities shall be notified any time District officials have a reasonable belief that an incidence of bullying is a violation of the law.

Appropriate Use of Electronic Information Services

The District may provide electronic information services (EIS) to qualified students, teachers, and other personnel who attend or who are employed by the District, or users who acquire access privilege through association with the District. Electronic information services include networks (e.g., LAN, WAN, Internet), databases, telephone systems/voice mail, electronic mail, hardware, software, and any computer-accessible source of information, whether from hard drives, tapes, compact disks (CDs), universal serial bus (USB) flash drives, iPods, iPads, or other electronic sources. The use of the services shall be in support of education, research, and the educational goals of the District. To assure that the EIS is used in an appropriate manner and for the educational purposes intended, the District will require anyone who uses the EIS to follow its guidelines and procedures for appropriate use. Anyone who misuses, abuses, or chooses not to follow the EIS guidelines and procedures will be denied access to the District’s EIS and may be subject to disciplinary and/or legal action.

The Superintendent shall determine steps, including the use of an Internet filtering mechanism, which must be taken to promote the safety and security of the use of the District’s online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. Technology protection measures shall protect against Internet access by both adults and minors to visual depictions that are obscene, child pornography or, with respect to use of computers by minors, harmful to minors. Safety and security mechanisms shall include online monitoring activities.

As required by the Children’s Internet Protection Act, the prevention of inappropriate network usage includes unauthorized access, including “hacking,” and other unlawful activities; unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

It is the policy of the Board to:

- Prevent user access over the District’s computer network, or transmissions of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications.
- Prevent unauthorized access and other unlawful online activity.
- Prevent unauthorized online disclosure, use, or dissemination of person identification information of minors.
- Comply with the Children’s Internet Protection Act [P.L. No. 106-554 and 47USC 254(h)].

Each user will be required to sign an EIS user’s agreement. The District may log the use of all systems and monitor all system utilization. Accounts may be closed and files may be deleted at any time. The District is not responsible for any service interruptions, changes, or consequences. The District reserves the right to establish rules and regulations as necessary for the efficient operation of the electronic information services.

The District does not assume liability for information retrieved via EIS, nor does it assume any liability for any information lost, damaged, or unavailable due to technical or other difficulties.

Filtering and Internet Safety

As required by the Children’s Internet Protection Act, the District shall provide for technology protection measures that protect against Internet access by both adults and minors to visual depictions that are obscene, child pornography, or, with respect to use of the computers by students, harmful to students. Students and parents should be aware that no filtering system is completely effective in preventing access
to all inappropriate materials, and it is the student’s responsibility to follow the District’s acceptable use policy and the directions of District staff. The protective measures shall also include monitoring the online activities of students.

Limits, controls, and prohibitions shall be placed on student:

- Access to inappropriate matter.
- Safety and security in direct electronic communications.
- Unauthorized online access or activities.
- Unauthorized disclosure, use, and dissemination of personal information.

Willful circumvention of the District’s protective measures is a violation of the Acceptable Use Agreement.

**Education, Supervision, and Monitoring**

It shall be the responsibility of all District employees to be knowledgeable of the Board’s policies and administrative guideline and procedures. Further, it shall be the responsibility of all employees, to the extent prudent to an individual’s assignment to education, supervise, and monitor appropriate usage of the online computer network and access to the Internet in accordance with this policy, the Children’s Internet Protection Act, and the Protecting Children in the 21st Century Act.

The Superintendent shall provide for appropriate training for District employees and for students who use the District’s computer network and have access to the Internet. Training provided shall be designed to promote the District’s commitment to:

- The standards and acceptable use of the District’s network and Internet services as set forth in District policy.
- Student safety in regards to use of the Internet, appropriate behavior while using, but not limited to, such things as social networking Web sites, online opportunities and chat rooms; cyberbullying awareness and response; and compliance with E-rate requirements of the Children’s Internet Protection Act.

While training will be subsequently provided to employees under this policy, the requirements of the policy are effective immediately. Employees will be held to strict compliance with the requirements of the policy and the accompanying regulation, regardless of whether training has been given.

**Limits of Privacy**

The District respects the personal privacy of its employees and students. However, because the District's technology resources are provided for the educational purposes of the District, employee and student rights of privacy in this context are limited and information and communications carried on it are subject to public access per A.R.S. 39-121. The District may review files and communications and monitor system utilization at any time, without notice or permission. Users should not expect that communications, or information sent, retrieved or stored via technology will be private.

**Prohibited Activities**

Material or language that is fraudulent, harassing, sexually explicit, racially offensive, profane, obscene, intimidating, defamatory, hazing, bullying or otherwise unlawful or inappropriate may not be sent by e-mail or other form of electronic communication (such as bulletin board systems, list-serves, texting, social networking or chat groups) or displayed on or stored in District computers.
Without prior written permission from the Superintendent, the District's computer system may not be used for dissemination or storage for commercial purposes of advertisements, solicitations, promotions, political material or any other unauthorized material.

**Compliance with Applicable Laws and Licenses**

Users may not illegally copy material protected under copyright law or make that material available to others for copying. In their use of the technology, users must comply with all software licenses, copyrights and all other state, federal and international laws governing intellectual property and online activities.

**Accessing Other Computers and Networks**

A user's ability to connect to other computer systems through the network or by a modem does not imply a right to connect to those systems or to make use of those systems unless specifically authorized by the operators of those systems. No one shall connect any personally owned computer or device to the District network without the approval of the District.

**Installation of Software**

Users may not install personal software onto District computers without first receiving the express permission of the Director of Information Systems. Users requesting permission to install personal software must provide a copy of the software license that permits them to install the software. Files obtained from sources outside the District, including disks brought from home and downloaded files, may contain dangerous computer viruses and should never be downloaded onto District computers without prior approval. This is not intended to restrict the downloading of files from Internet sources or on line services for use as curriculum supplements by teachers.

**Duty Not to Waste District Resources**

Users must not deliberately perform acts that waste computer resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings, printing multiple copies of documents, downloading lengthy files such as non-educational games and music, streaming music, or otherwise creating unnecessary network traffic.

**Web Publishing**

The District recognizes the value and potential of publishing on the Internet. School faculty and staff are encouraged to create electronic home pages or other pages that seek to carry out official business and communication of the District's mission. All such pages must be accessible from an official school website within the District. All staff publishers must adhere to the policies of the District, and must comply with all relevant federal and state laws. Web pages shall not display personally identifiable student information unless explicit and verifiable written parental permission has been granted by the student's legal parent/guardian. Staff publishers will be responsible for maintaining their class or educational resource sites. Web pages must reflect positively upon the District and school. Web pages must include an e-mail address of the adult maintaining the page. E-mail addresses/links on web pages must be a tuhsd.org address. The District provides computer services and networking to enhance the District's educational and administrative processes, and to improve communication with the world community. Material that fails to meet established educational objectives or that is in violation of a provision of District policy and administrative regulations will be removed.
Websites, wikis, blogs, social networks and other communication and collaboration technologies may be used to provide students with the information needed to achieve educational goals or provide a format to publish their work and to communicate their ideas. Use of web content must be in keeping with the District's Acceptable Use Policy.

User Agreements
Each user will be required to annually sign an acceptable use agreement. A user who violates the provisions of the agreement will be denied access to the information services and may be subject to disciplinary action.

The Superintendent is responsible for the implementation of this policy and for establishing and enforcing the District’s electronic information services guidelines and procedures for appropriate technology protection measures (filters), monitoring, and use.
The right of a student to ride a school bus is contingent upon their continued good behavior and their observance of established BUS RIDER SAFETY RULES. The driver is in complete charge of the bus during a trip and while students are entering or leaving the vehicle. Students shall be required to conform to all rules concerning safe behavior while riding a bus.

The safe transportation of pupils to and from school is of primary importance. If a driver is to operate the bus safely, it is necessary that passengers behave in a controlled, orderly manner. Passengers have the responsibility to cooperate and abide by the established rules and regulations. There are two key elements to a safe transportation system: 1) Passengers provide the driver with an atmosphere which will allow him/her to direct full attention to safe driving; 2) The driver and monitor work together as a team in order to provide consistent, fair and uniform application of pre-established rules bus conduct. It is a goal of the driver and monitor to control the collective behavior of students, eliminating anything that may threaten the life, safety or comfort of the passengers.

BUS RIDER SAFETY RULES – TRANSPORTATION (623) 478-4100

1. **ID WITH RECOGNIZABLE PICTURE IS REQUIRED TO RIDE THE BUS.** Student ID’s are to be checked every morning and afternoon.
   
   In the AM – ID will be checked when the student arrives at the school as they exit the bus. If a student does not have an ID, they are to sign the Student Without ID form. Once a student has signed the Student Without ID form 3 times, the driver will write a referral and forward it to the school. This may result in the student not able to ride the bus for one (1) week.
   
   In the PM – ID will be checked as the student boards the bus to leave the school. If the student does not have an ID, they will be refused a ride. The Student Without ID form will not apply to PM routes.

2. **LEAVE HOME EARLY ENOUGH TO ARRIVE AT YOUR BUS STOP ON TIME.**
   
   Be at the bus stop 5 minutes before the scheduled pickup time – and stay there. Respect private property at the bus stop location.

3. **WAIT FOR YOUR BUS IN A SAFE PLACE – AWAY FROM THE ROADWAY.**
   
   Keep yourself and others safe by waiting at the designated area and do not play or wait in the road.

4. **ENTER YOUR BUS IN AN ORDERLY MANNER AND TAKE YOUR SEAT.**
   
   Line up single file when the bus stops to pick you up. When the driver opens the door, get on immediately and go to your seat (the school bus is stopping traffic during student loading and this should be as brief as possible).
5. **FOLLOW THE INSTRUCTIONS OF YOUR SCHOOL BUS DRIVER.**
   Be cooperative and comply with your bus driver’s/monitor’s requests. The following is not allowed on the school bus: eating; drinking (except water in a water bottle); tobacco products; flammable materials; insects/animals; and glass or balloons. If bulky or other dangerous items (such as class projects and skateboards) need to be taken to school, arrange to get them to school by means other than the school bus. The driver has authority to require objects to be placed in a safe place, or deny transportation of such items. Schoolbooks, notebooks, lunch boxes, purses, small backpacks and small musical instruments are allowed and should be held on the student’s lap.

6. **REMAIN IN YOUR SEAT WHILE YOUR BUS IS IN MOTION.**
   If you wish to change seats, you must request the driver’s/monitor’s permission to do so, and if granted, move only when the bus is stopped. Standing, kneeling on the seats, sitting on backpacks, or facing the rear are unsafe riding positions and are not allowed. The correct and safest position is seated facing forward with your back against the seatback cushion. The driver/monitor has full authority to assign seats whenever good student management warrants.

7. **KEEP YOUR HEAD, HAIR AND ARMS INSIDE THE BUS AT ALL TIMES.**
   Serious injury could result if any part of your body is outside the bus while the bus is moving.

8. **KEEP AISLES CLEAR.**
   Feet, legs, arms, and bodies, as well as books, bags, lunch boxes, musical instruments and other items must be kept out of the aisle. The driver must have a clear view of the aisle at all times.

9. **REMAIN QUIET AND ORDERLY.**
   State law requires complete silence at all railroad crossings. Use a quiet voice at all other times. Talking to the driver while the bus is moving is distracting and shouting or any loud noise is not acceptable. A low noise level is necessary for the safest driving conditions.

10. **BE COURTEOUS TO YOUR SCHOOL BUS DRIVER, MONITOR AND FELLOW PASSENGERS.**
    Keep your hands to yourself. Pushing, grabbing, reaching over seats, etc., can be dangerous and is not permitted. Avoid roughhousing and any kind of physical play. Throwing, spitting, kicking or shooting items inside the bus or out the windows is hazardous and prohibited. Enjoy the opportunity for socializing in quiet and acceptable ways. Be an example of good behavior for your own and others’ safety.

11. **BE ALERT TO TRAFFIC WHEN LEAVING THE BUS.**
    Use only the front door, and follow the instructions of your driver for safe procedures when crossing the street or leaving the bus drop-off location.

12. **OBtain WRITTEN PERMISSION TO RIDE A BUS DIFFERENT FROM YOUR OWN.**
    Students must have permission from a school administrator to ride a different bus or to use a bus stop other than their own.
**ADDITIONAL INFORMATION**

In general, rule violations will be dealt with on an individual basis between the rider, driver and monitor. If a problem continues, a written report will be made to school district officials who will determine the appropriate action or discipline. Parents may be contacted. **Remember, school bus transportation is a privilege, not a right. School bus transportation can be suspended or terminated for willful misconduct or endangering the overall safety of the school bus or its occupants.**

**Reminder - The following serious offenses may result in a suspension of bus privileges:**

1. Aggressive language or behavior towards a bus driver and/or passengers.
2. Possession of weapons, explosive or flammable materials, or other dangerous items.
3. Deliberate disregard for safety and/or habitual infractions of a less serious nature.
4. Tampering with any emergency equipment or exits or using any method of exit other than the normal entry door (except under emergency conditions as determined by the driver).
5. Throwing any projectiles at the bus, within the bus or from the bus.
6. Use and/or possession, distribution or sale of alcohol or illegal drugs. Use of any tobacco products including electronic cigarettes.
7. Damage to any part of the bus.

FAQs

Why can’t I go off campus for lunch?
While off campus lunch can be an awesome privilege, the consequences behind misusing it can be costly and even deadly. Students driving to and from school under small time constraints can lead to poor decisions and devastating results. Know that it’s more a matter of safety than restriction.

Why can’t lunch be any longer?
Sure, lunch can feel really short compared to hour long classes, but think of it this way. The longer the lunch, the longer the school day. No matter how long lunch is, it will always feel short because you’re having fun.

Why do we need to wear our IDs?
ID’s are a great way for security and administration to see whether you belong on campus. We don’t want just anyone to be able to walk into the school and say they belong here. That could pose a safety issue. Wearing your ID properly every day is visual proof that you are a student.

I came to school and forgot my ID, now what?
Hurry, run to the bookstore! They will be happy to sell you another one, so you can be in class.

Why are there activities going on around campus that I never hear about?
There is one major source for information on campus, and that is the announcements. Most news on clubs, sports or organizational activities are stated during this time, along with important dates and reminders. Always listen up, and if your class is too loud, take initiative and quiet them down politely, of course.

I need to do some community service, where do I go to get information?
There are many opportunities to do service through various clubs and organizations, even if you are not a part of them. If you want any information in particular, contact organization leaders or ask a teacher or counselor.
VISITORS TO SCHOOLS

Parents/Guardians are encouraged to visit the schools.

All visitors to any school must report to Student Services upon arrival.

For those who wish to visit a classroom during the school day, it may be required that the teacher and the principal be contacted at least twenty-four (24) hours in advance to arrange a day and time for such visit so as to avoid any conflicts with the school schedule.

In visiting a classroom, parents/guardians must realize that the teacher's first responsibility is to the class as a whole, and the teacher will be unable to converse at any length with the visitor. If a conference is desired, arrangements will be made by the teacher for an appointment with the parent/guardian either before or after school hours.

No person may enter onto school premises, including visits or audits to a classroom or other school activity, without approval by the principal. Neither will any person be allowed to conduct or attempt to conduct any activity on school premises that has not had prior approval by the principal.

Anyone who is not a student or staff member of the District schools, and is in violation of this policy, may be asked to leave the property of the District. Failure to comply with the lawful directions of district officials or of district security officers or any other law enforcement officers acting in performance of their duties, and failure to identify one’s self to such officials or officers when lawfully requested to do so will be against district regulations. Failure to obey such instructions may subject the person to criminal proceedings applicable under law.

GUEST PASSES FOR SCHOOL DANCES

Guest Pass approval forms may be obtained in the Assistant Principal’s Office. Parent signature and prior administrative approval are required for all non-district students to attend school dances. Proper school ID must be provided. All requirements on the form must be met for approval. Not all dances will qualify and additional restrictions may apply.

DELIVERIES

Because of the disruption to the learning environment, deliveries to students are not accepted. Examples include food, drinks, flowers, candy, balloons, etc.

LATE ENTRY

Students entering school after the second week of a grading period will be required to sign a late entry form and may not receive credit for that semester. A student may earn credit if they are able to make-up all classwork missed for the semester. The awarding of credit is at the teacher’s discretion.

BEHAVIORAL EXPECTATIONS

Each student has the opportunity and the right to use school as a means for self-improvement and individual growth. In so doing, students are expected to conduct themselves in a manner compatible with the school’s function as an educational facility. Conduct which disrupts or threatens to disrupt the operation of a school, which interferes in any way with the public or private rights of other students or citizens, which threatens or endangers the health or safety of any person or which damages property, will not be tolerated. It is the intent of the District to afford vigilant protection of the constitutional freedoms of all school personnel and students, and to guarantee those protections as provided in the United States Constitution, including the rights of free inquiry and expression, the right to freedom of association and the right to administrative due process. Of equal importance is the right of school
authorities to prescribe and control – consistent with fundamental and constitutional safeguards – student conduct in our schools. In exercising this right, the school administration working with staff members and the students will attempt to achieve the objectives and follow the procedures set forth by Board policies and administrative regulations pertaining to the various aspects of student rights, student conduct and student discipline.

The jurisdiction of the school is primarily limited to any campus and/or school/district-sponsored functions. However, violations of the law (A.R.S. 15-341-13) are subject to disciplinary action if it is deemed that a student’s attendance would be detrimental to other students. In addition, school rules and other reasonable expectations for student conduct are extended to include conduct both to and from school, off-campus time during school, school lunches and release periods. (Board Policy JK)

The use of electronic communications, including social media, that negatively affects the learning environment, is subject to appropriate disciplinary action.

**FIGHTING/INTIMIDATION/BULLYING**

Involvement in a fight, physical or verbal intimidation, harassment, bullying, trying to prompt others to fight, filming, taking pictures or video of a fight or demeaning another person or race, will result in immediate off-campus suspension or long-term suspension.

**FIGHTING, VIOLENCE, INTIMIDATION, AND BULLYING ARE NOT TOLERATED.**

**SCHOOL CLIMATE**

Students, staff, parents/guardians and community members are expected to behave in the following manner which fosters a positive school environment:

- Participate actively in the learning process.
- Encourage parent and community involvement.
- State expectations clearly.
- Show sensitivity toward others.
- Use courteous and polite language and behavior.
- Exercise self-discipline.
- Follow school and district rules.

All students, parents/guardians and community members are encouraged to report any inappropriate behavior to staff members.

**CLOSED CAMPUS**

The District operates closed campuses. Students are to stay on school grounds from the time they arrive until the time they are dismissed.

**TOLLESON UNION HIGH SCHOOL DISTRICT IS AN ALCOHOL, DRUG, TOBACCO, WEAPON AND GANG FREE SCHOOL ZONE. ANYONE WHO VIOLATES THE LAW WILL BE PROSECUTED.**

**DIVERSITY**

Students, staff members, parents/guardians and community will respect the unique attributes and qualities of every individual on the campus.

- Treat others with fairness and compassion.
- View diversity as enhancing the school environment and community.
- Promote and encourage increased knowledge and understanding of diversity in curriculum and school related activities.
NON-DISCRIMINATION / NON-HARASSMENT OF STUDENTS AND STAFF

Non-discrimination requires the collaborative responsibility of each administrator, supervisor, employee and student to affirm in actions and deeds the intent and spirit of governing laws and regulations. Toward this end, the District shall provide management, staff and student assistance in the implementation of the Board’s good faith intent to provide compliance for non-discrimination in the District’s employment and educational opportunities.

Individuals or groups are in violation of this policy, on school grounds, at school-sanctioned activities or in vehicles dispatched by the District, if they:

- Make demeaning remarks directly or indirectly, such as name-calling, racial slurs or “jokes,” or physically threaten or harm an individual on the basis of race, color, religion, national origin, sex or disability.
- Display visual or written material or deface school property or materials to demean the race, color, religion, national origin, sex or disability.
- Damage, deface, or destroy private property of any person because of that person’s race, color, religion, national origin, sex or disability.

Students or staff members who believe that they, or any other student or staff member, have been the subject of harassment and/or discriminatory behavior should report the incident immediately to the school administrator, appropriate supervisor or their designees.

IDENTIFICATION CARDS

Identification cards will be issued to all students. A current, valid Tolleson Union High School District ID must be carried and displayed appropriately above the waist and on the front of the student at all times while on campus. Students who do not have a current, valid ID card displayed properly will not be permitted to attend class until a replacement card is obtained. The ID card may not be defaced or mutilated in any way. A lost or damaged ID card must be replaced at the student’s expense in the bookstore.

- All students will receive one (1) free ID card.
- Students will be charged a $3 fee to replace a lost, stolen, or defaced ID card.

1. Students not meeting the expectation put forth in the Student Handbook of carrying/appropriately displaying an ID card will be directed to the Administration Office.
2. Students referred to the Administration Office for not carrying/appropriately displaying an ID card, and who have current charges on their account for ID replacement, will receive consequences ranging from detention to On-Campus Reassignment (OCR). Administration will contact the students’ parents by phone and document the incident through a referral in Synergy.

BREAKFAST AND LUNCH

Full cafeteria and snack bar services are available during the breakfast and lunch period. For health and safety reasons, no food from outside vendors is allowed on campus without the prior approval of administration. Classroom passes should not be used during either lunch. Students needing to see their teacher during lunch should obtain a pass from that teacher prior to lunch in order to enter the classroom area of campus. In order for our lunchtime environment to be acceptable, everyone must assume responsibility for its cleanliness. This means that every student, regardless of who dropped the food or paper, should clean it up if requested to do so. Please assume responsibility for one another’s behavior and help in maintaining a clean lunch area.
Please abide by the following rules:

- Be patient in line! No crowding / cutting for any reason (including students purchasing a lunch for another student).
- Keep all areas litter-free and leave lunch tables clean.
- Keep food to yourself. Never throw food.
- Only eat in designated areas.
- Be cooperative and respectful to cafeteria employees.
- The cafeteria employees are the extended arms of the classroom teacher and carry the same authority. Any defiance of their requests will be defined as “defiance of school authority” as covered in the disciplinary guidelines.
- In order to preserve the cleanliness, hygiene and beauty of our campuses, we enforce a no gum policy.

**VENDING MACHINES**

Vending machines are provided for convenience. The District will not be liable for refunds. **Vending machines are never to be used during class time.** Students who make purchases during class time may have the items confiscated by school officials. No food or drink other than bottled water is permitted in classrooms.

**STUDENT DRESS STANDARDS**

(Governing Board Policy JICA)

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance except when their choices affect the educational program of the schools or the health and safety of others.

The Board authorizes the Superintendent to develop and enforce school regulations prohibiting student dress or grooming practices that:

- Present a hazard to the health or safety of the student or to others in the school.
- Materially interfere with schoolwork, create disorder, or disrupt the educational program.
- Cause excessive wear or damage to school property.
- Prevent students from achieving their educational objectives.
- Represent membership in a gang.

Obscene language or symbols, or symbols of sex, drugs, or alcohol on clothing are expressly prohibited.

The staff does not want to take time out of the educational day to address student dress code issues. We recognize that students have a right to show their individuality by the clothes they choose to wear. However one of District’s primary functions is to prepare its students for life beyond high school and therefore we feel the school has the responsibility to establish reasonable and fair guidelines for student dress.

The dress code will be enforced on our campus:

- No oversized, baggy or sagging pants (worn below the hipbone), including pajama pants.
- No pants or shorts with holes/tears that are excessive.
- Shorts and skirts must be of an appropriate length.
- No tube tops or shirts worn off the shoulder even when worn with a jacket or other outerwear.
- Tops showing any part of midriff when arms extended upward will not be allowed.
- Undergarments are to be worn at all times and may not be visible including ribbed, sleeveless undershirts.
No head coverings are allowed on campus. This includes hats, bandanas, hoods or any article of clothing covering the face or concealing a person’s identity. *

Shoes must be worn at all times. No slippers.

No clothing or accessories, including tattoos, advertising or suggestive of alcohol, drugs, sex, profanity, gangs, weapons or violence.

Anything not specifically listed, but that creates an “un-businesslike” appearance, considered offensive or disruptive to the educational environment will not be permitted.

Exceptions for special activities or health considerations may be pre-approved by the administrator. *

* COVID-19: Cloth face coverings should be worn by staff and students as feasible, and are most essential in times when physical distancing is difficult. Cloth masks should be free of wording, images or logos unless designated as school recognized markings.

Students who volunteer for extracurricular activities, such as athletics, band, chorus, et cetera, are subject to the standards of dress as defined by the sponsors of such activities.

**POSTING PROCEDURES**

All materials posted whether student generated or advertising must first be approved and signed by an administrator. This includes fliers, handouts, posters, etc. All posted materials must be placed in designated areas only.

**SOLICITATIONS**

Students are not allowed to sell or distribute any items on campus without prior approval of the administration. These items include clothing, food, or other personal items.

**FUNDRAISERS / ACTIVITIES**

Student Government must approve all fundraisers or school-sponsored activities. A sponsor or designated staff member must be present at all times.

**PERSONAL ITEMS**

Students, not the school, are responsible for their personal property. Students are advised to refrain from bringing money or valuable personal items to school. Students are discouraged from bringing valuable items to school because of the difficulty of providing secure storage for them and the distraction that they pose for other students and staff members. **IF LOST OR STOLEN, THE SCHOOL WILL NOT ASSIST STUDENTS IN THE RECOVERY OF ANY PERSONAL ITEMS AND WILL NOT REIMBURSE OR REPLACE THE STUDENT’S LOST OR STOLEN ITEM.**

**GRAFFITI / MARKERS**

Permanent markers or paint sticks cannot be brought to campus. Students should not have any graffiti or tagging on personal property such as backpacks, notebooks, etc. These will be confiscated and held for parent/guardian pickup. Appropriate disciplinary action, including possible law enforcement involvement, may occur.

**CELL PHONES & OTHER ELECTRONIC DEVICES**

Tolleson Union High School District discourages students from bringing these items to school for any reason. Students who bring these materials to school are solely responsible for these items. Experience has proven that these items present a disturbance problem and also become objects of theft. **Cell phones (only functioning as a phone, not a gaming/app or music device) may be used before and after**
school, during the student’s lunch period, and passing periods ONLY. If these items are brought to school, they are to remain out of sight during the school day.

Electronic devices may be used in class for educational purposes when approved, supervised and under the direction of a teacher. The use and/or possession of these items should at no time disrupt the educational process (including assemblies, performances and meetings). A discipline referral will be generated if a student violates this policy. **IF LOST OR STOLEN, THE SCHOOL WILL NOT ASSIST STUDENTS IN THE RECOVERY OF ANY ELECTRONIC ITEMS AND WILL NOT REIMBURSE OR REPLACE THE STUDENT’S LOST OR STOLEN ITEM.**

**PROGRESS REPORTS AND REPORT CARDS**

Parents/Guardians are encouraged to contact their local school to obtain electronic access to their student’s records through ParentVUE. Progress reports are generated and distributed to students to take home to their parent/guardian at the midpoint of each quarter. Report cards are mailed at the end of each semester. Credit is earned at the end of the fall and spring semesters. Concerns about specific classes should be directed to the teacher.

**GRADING**

All effort should be made while a student is enrolled in a course to help that student achieve a 70% or better. Schools will take a proactive approach to ensuring that students earn a 70% or higher in all courses. All course specific grading requirements, practices and procedures for each course must fall under the Tolleson Union High School District General Grading Policy and must be provided to students in written form (a syllabus) by the course teacher at the beginning of each year/semester. The District General Grading Policy is as follows:

**Grading:** Two-level, weighted grading system – Both Advanced Placement (AP) and Advanced (accelerated level) courses earn one extra point for a “C” or higher. Approved summer school courses are included in the Grade Point Average (GPA).

The following grade point system is used to calculate GPA, Honor Roll and Class Rank:

<table>
<thead>

</tbody>
</table>

Tolleson Union High School includes grade points for all courses except Teacher Aide and Peer Tutor. For these courses, a letter grade of “P” or “F” is given. Students who pass are awarded elective credit, but no points are accumulated toward GPA.

A grade indicator of “I” may be used by a teacher at the end of the grading period whenever a student, due to illness or extenuating circumstances, has not had sufficient time to demonstrate mastery via course requirements.
• The End of Course Assessment may not comprise more than 20% of a student’s overall grade.
• To receive credit for a course, the student must meet the departmental requirements on all formative and summative assessments for that course.
• Repeat Classes: Though all courses may be repeated to raise a grade, core credit toward graduation is only earned once for any class. In the case of a repeated core course, only the higher grade is documented for core credit.

Should a student fail or not meet the mastery requirements after repeating a course, a review team may determine the best method by which the student can recover credit for that course.

Several elective courses may be offered for repeat credit per the District Academic Planning Guide.

**CHEATING**

Cheating is defined as (1) representing another person’s work as your own work, (2) in some way circumventing an activity by using unauthorized materials as determined by the individual classroom teacher, (3) by willingly assisting in the circumvention, (4) failure to follow test procedures.

**Examples of cheating**

- Copying another student’s paper
- Looking at another student’s test
- Talking during a test
- Use of electronic devices to record, send, or receive test information
- Writing answers on desk or other objects
- Mouthing words to someone
- Writing answers on body or clothing
- Having someone else do the work
- Tapping or signaling with hands or other objects
- Leaving answers in calculator’s memory
- Stealing or being in possession of a test copy or the key
- Sharing of class work, homework, activities, and projects, not specifically approved by the instructor
- Plagiarism

This is only a partial list of cheating behaviors; it is not all-inclusive.

**Consequences for cheating**

Students who cheat should expect to be confronted by their teacher and be subject to one or more of the following penalties:

- Zero on the assignment/possible suspension
- Notification to parents
- Discipline referral
- Establishment of cheating record in discipline file
- Possible loss of credit

Students are responsible for meeting Arizona State Board of Education testing requirements.
**SCHEDULE CHANGES**

The deadline for schedule changes is the 10th day of school. Schedule changes may only be made for the following reasons:

- Student was misplaced (i.e., Spanish 3-4 instead of Spanish 1-2).
- A required course was omitted from the schedule.
- The student has already received credit for the course.

**SUMMER SCHOOL**

Students may attend summer school to make up credits needed for graduation. Students may also take summer school courses to get ahead in credits. Please be aware that not all classes are offered during summer school. There may be an additional cost for summer school. Further information is available in the Counseling Office.

**CREDIT REQUIREMENT AND OPPORTUNITIES**

Will accept credit(s) from community college classes under the following conditions:

- The approval form from the community college must be signed by Tolleson Union High School District administration prior to registering for the class.
- All course requirements have been fulfilled and a passing grade has been issued to the student.

Will accept credit from summer school, online classes and night school classes if PRIOR arrangements have been made.

Students are expected to complete the graduation requirements within a four-year (eight semester) time period. This time period begins on the student’s initial entry date.

Will award a graduation diploma to a student provided the District was the last district of attendance. Graduation requirements met through online, night school, summer school or via a dual credit program are valid only if the District was the last district of attendance.

Students who wish to graduate in less than four years are required to petition the school’s administration by letter prior to the completion of the student’s fifth semester of school.

**RELEASE PERIODS**

Students who have a designated release period(s) are not allowed to stay/be on campus unsupervised. Therefore, students must leave campus immediately or arrive at the designated supervised area within the passing period or they will be subject to disciplinary action.

Students with Late Start must check in when arriving to the campus and report to the designated supervised area until their class begins.

**TEACHER CONTACT**

Teachers are available during various periods of the day for parent/guardian and student meetings or tutoring. Contact individual teachers for specific availability. The school administration office cannot provide teachers’ home telephone numbers to students or parents/guardians. Oftentimes, the best way to contact teachers is through email. Teacher email can be obtained through the District website – www.tuhsd.org.
**CLASS AUDIT**
Students may audit a class for no grade and no credit. Audit status will not be granted after the first four weeks of a semester.

To be eligible for audit status students must:
1. Fill out a request to audit a class within the first four weeks of a semester and turn it in to the Assistant Principal for Curriculum & Instruction.
2. Student must have a passing grade posted at the time of the audit request. Students with a failing grade or a grade of “F” are not eligible for audit.
3. Meet all academic, attendance and behavior expectations outlined in the Student Handbook.
4. Violation of these expectations may result in loss of audit status.
5. Loss of audit status may result in the reinstatement of the current earned grade.

**TEACHER CHANGES**
Due to the high quality of instructors, teacher changes are not permitted. Students and parents/guardians are encouraged to meet with specific teachers in an effort to provide the strongest academic environment for the student.

**BOOKSTORE**
The student bookstore is open before school, lunchtime and after school each school day. Bookstore charges for all students may include class fees when required and activity fees. There is no cost for loaned textbooks for specific classes. Textbooks not assigned to students will be provided in each classroom for student use. Each textbook has an identification number. Students must return the SAME BOOK they were issued or be charged the present value of the missing book. Students are responsible for the return of their textbooks upon completion of a class or withdrawal from school. Lost, defaced or damaged books are subject to disciplinary action, police involvement and replacement cost.

In addition to payments being accepted at site Bookstores, Tolleson Union High School District is now offering a convenient online payments portal. **DEBT COLLECTION**
Tolleson Union High School District recognizes that parents and employees may inadvertently overdraft a checking account and a check may be returned by a bank. In order to recover these funds in a private and professional manner, Tolleson Union High School District has contracted with Nexcheck, LLC for collection of returned checks, as well as other debt owed the District. If a check is returned or a fee is owed to Tolleson Union High School District, Nexcheck will make contact to make arrangements for payment.
If a student fails to pay a debt owed to the school, the following actions may result:

- Student may not be able to participate in extra-curricular activities.
- Seniors may not be able to participate in the graduation ceremony.
- Students may not be able to pick up items ordered through the bookstore.

The school bookstore is the designated location for lost and found. Items being claimed may need to be identified, and any items left unclaimed will be donated to a charitable organization on June 1.

**MEDIA CENTER**

The Media Center is open before school, lunchtime and after school each school day. It will be closed after school on Early Release days. Students using the Media Center during class time must have individual passes from their teachers and must sign in and out on the appropriate log. Student ID card is required to check out books.

**SCHOOL NURSE / EMERGENCIES**

All parents should see that they have an updated Student Health Information form completed and on file in the Nurse’s Office. For the protection of the students and the school personnel, prescription medicine is to be given by school personnel only with an order from a physician. Over the Counter medications may only be given to students with written parent/guardian permission. *Students are not allowed to carry medication, prescription or non-prescription, on campus. Any required medication must be stored and dispensed through the Nurse’s Office.* Under law, all students entering school for the first time are required to present certification stating that the child has received immunizations against communicable diseases as specified by the Department of Health. This certification must come from a licensed physician or authorized representative of the Department of Health or local health department. Failure to follow medication policies may result in disciplinary action.

**BICYCLES AND SKATEBOARDS**

The District encourages the use of alternative modes of transportation. Racks to securely lock bicycles and skateboards are located on campus. It is the student’s responsibility to provide chain and lock. The school is not responsible for lost, stolen or damaged bikes and skateboards nor will it assist in the recovery of these items. *At no time should bicycles or skateboards be ridden on campus.* Skateboards may not be carried around during the school day nor stored in teacher classrooms or the front office. Failure to follow these policies may result in a discipline referral and/or loss of privilege of riding these items to school. Hoverboards of any type or size are prohibited on school grounds.

Because sexual harassment of students is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972, it is governed by this statute and corresponding guidance. Title IX applies to any public or private school receiving federal funding. Does not include legitimate nonsexual touching or other nonsexual conduct, for example, a high school athletic coach hugging a student who made a goal or a kindergarten teacher’s consoling hug for a child with a skinned knee.

Relevant factors in determining whether behavior rises to the level of sexual harassment include:
- The degree to which the conduct affected one or more students’ education.
- The type, frequency, and duration of the conduct.
- The identity of and relationship between the alleged harasser and the subject or subjects of the harassment.
- The number of individuals involved.
- The age and sex of the alleged harasser and the subject or subjects of the harassment.
- The size of the school, location of the incidents, and the context in which they occurred.
- Other incidents at the school.
