

TUHSD Tech Quick Guide: MediaCAST and World Languages Videos

What is MediaCAST?

MediaCAST is an on-demand streaming video and resource system. To access mediaCAST type <http://mediacast.tuhsd.org> or click on the link. Firefox works best for district WL videos.

Use your district login credentials to access the MediaCAST resources.

Type the video title in the Quick Search section.

Select the video you wish to view.

Click the Segments tab to access specific sections of the video. (This works faster in Firefox.)
