TUHSD Tech Quick Guide: Accessing Database Resources

On the left side of the search results screen, you will find the following toolbar. Use this to further refine your results.

The image shows a sidebar for refining search results. At the top, it indicates '2080 Results for...' with a play button icon. Below this is a section titled 'Refine your results' with a dropdown arrow. This section contains three checkboxes: 'Full Text', 'References Available', and 'Scholarly (Peer Reviewed) Journals'. Below the checkboxes are two input boxes for '1965' and '2012' under the label 'Publication Date', with a slider bar between them. There are 'Update' and 'Show More »' buttons. The next section is 'Source Types' with a dropdown arrow, containing checkboxes for 'All Results' (checked), 'Academic Journals', 'Magazines', 'Newspapers', 'Books', and 'Conference Papers', with an 'Update' button below. The bottom section lists several filter categories with play button icons: 'Subject: Thesaurus Term', 'Subject', 'Publication', 'Publication Type', and 'Geography'.

TUHSD Tech Quick Guide: Accessing Database Resources

Use Boolean
Search
methods to
save time.

Use the word “and” to search for resources with multiple key words. The search engine will locate all relevant resources with all keywords listed.

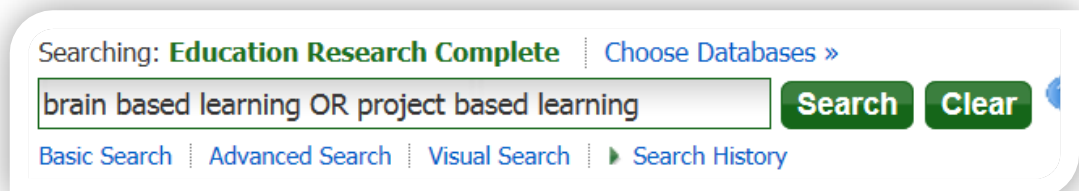

Searching: **Education Research Complete** | [Choose Databases »](#)

[Search](#) [Clear](#) [?](#)

[Search Options](#) | [Basic Search](#) | [Advanced Search](#) | [Visual Search](#) | [Search History](#)

Use the word “or” to search for one keyword or the other. Each resource located will contain at least one of the keywords listed.

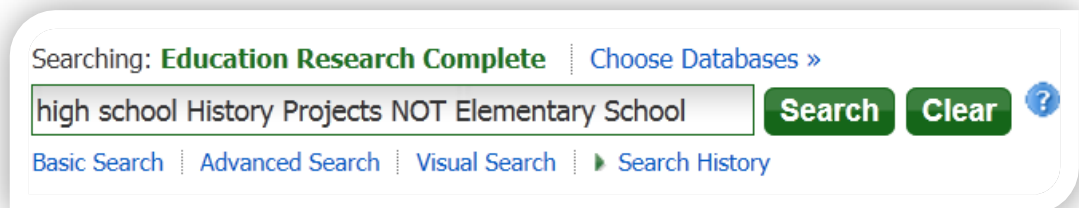

Searching: **Education Research Complete** | [Choose Databases »](#)

[Search](#) [Clear](#) [?](#)

[Basic Search](#) | [Advanced Search](#) | [Visual Search](#) | [Search History](#)

Use “and,”
“or,” or “not”
to narrow
search results.

Use the word “not” to eliminate content that may be relevant to your search but may not be what you want.
