

ON-SITE SUPPORT SERVICES

Governor Ducey's **Executive Order 2020-51**, directs each school district to offer free on-site support services for students who need a place to go during the day as required by Executive Order 2020-41.

- Free on-site support services began on **September 14, 2020**, allowing students who need a safe place to work on their online coursework in a supervised environment.
- In addition, on-site support includes providing required specialized services to those students who have already been identified through formal processes. Learning continues to be online/virtual for all students.
- The intention of the Governor's Order is that school districts serve its high-need students, such as those requiring special education services, English Language learners (ELL), students who qualify for McKinney Vento services, students in foster care as well as those with limited Internet or WiFi connectivity at home. Those families were identified and communicated with and have been provided with laptops and hot spots by the Tolleson Union High School District.

OVERVIEW

REQUIREMENTS

- Registration with the schools is required before students can participate
- Many parents were sent and responded to a survey or call from school staff to see if services were needed
- Students attend a customized schedule for 1-5 days per week
- Days must be arranged in advance
- No unscheduled drop-offs of students is permitted - schools need to properly prepare ahead of time for the students that will be attending.
- Students must come with their devices fully charged each day.
- All brick and mortar schools will provide on-site services. This is subject to change based on needs and available resources.

SERVICES INCLUDE

- Student supervision of remote learning
- Schools will provide Grab and Go meals
- Health office services are available (nurse on-site)

SUPPORT MODEL

SCHEDULE

- Schedules are modified to allow for sanitization protocols.
- School sites will contact families with specific schedules.

SCHEDULE

LIMITATIONS

- Schools are subject to partial or full closure to on-site support services if new outbreaks occur.
- TUHSD will use the Arizona Department of Education and Arizona Department of Health Services criteria for determining an outbreak.

“Outbreak” is defined by: Two or more laboratory-confirmed COVID-19 cases among students or staff with onsets within a 14-day period, who are epidemiologically linked, do not share a household, and were not identified as close contacts of each other in another setting during standard case investigation or contact tracing. Alternatively, an outbreak can be defined by public health as a localized increase in COVID-19 incidence in a defined community within the county requiring the closure of the charter school or school district.

The local county health department, in conjunction with ADHS, has advised closing the entire district or charter as the result of an outbreak of the virus.

LIMITATIONS

HEALTH & SAFETY PROTOCOLS

- Home screenings should be completed at home before arrival.
- Staff members, e.g. IT, maintenance, grounds crew, transportation, etc., visiting the school site will have a temperature check and health screening upon arrival each day.
- All staff should self-screen at home prior to coming to work. Onsite screening will take place with those staff members visiting the campus as indicated above.
- Students and staff that have symptoms will be isolated and sent home.
- All students and staff will wear masks or cloth facial coverings per school protocols.
- Social distancing measures will be in place when practical and feasible.
- Activities that involve sharing of physical materials will be avoided.
- Custodial services will follow the district sanitation protocols.

The TUHSD Mitigation Plan covers our expanded Health and Safety Protocols in detail. It can be found on our website [here](#).

PROTOCOLS

STUDENT EXPECTATIONS

- Students can expect a positive and safe learning environment.
- Students are expected to behave in a way that ensures their safety and that of other students.
- Students are expected to behave in a way that promotes their learning and that of other students at all times.
- Students are required to follow the TUHSD dress guidelines found in the **Student/Parent Handbook**.

EXPECTATIONS

PARENT EXPECTATIONS

Parents will:

- Confirm that space has been reserved for their student.
- Ensure their child completes a home health screening prior to arrival.
- Ensure that their student will arrive to on-site support services with their device fully charged and other supplies, as needed.
- Remain responsible for keeping their child's emergency contact and health information up-to-date.
- Pick up their student on time each day.
- Connect with the school nurse if their child has a health concern or will require medicine prior to sending their child to on-site support.

PLEASE NOTE: Any adult picking up a child from on-site support services should be prepared to present an ID.

EXPECTATIONS

DAILY HOME HEALTH SCREENINGS & TEMPERATURE CHECKS

Parents will:

- Acknowledge that home screening is the first step in the health screening process.
- Students may be screened again in school if staff deems that a student might be ill.
- Students should not come to school if exhibiting any of the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

HEALTH

The Tolleson Union High School District welcomes the opportunity to provide on-site support services at each of its campuses. Working together with our families, we can ensure a positive experience for those students who need a safe space to connect to their virtual classes and receive needed services.
