FORWARD

Welcome to the Westview High School Marine Corps Junior Reserve Officers’ Training Corps (MCJROTC) program. We are looking forward to another great year. The goal of the MCJROTC program is to help cadets develop leadership skills, build character, promote citizenship and responsibility, and develop habits of self-discipline through the study and practical application of Marine Corps leadership traits and principles.

Leaders at every level must be fully aware of the importance of character, responsibility, hard work, and self-discipline if they are to be successful in facing the challenges of a rapidly changing world. While participation in the program incurs no obligation of future military service, the instruction that you receive will go a long way toward enhancing opportunities in any career field that you choose.

There is a lot of important information contained in this handbook. We expect each cadet to be familiar with its contents. Please keep this information readily available for your use, as you will find it an invaluable learning tool for our Leadership Education curriculum.

We are looking forward to working with each and every one of you, and we are proud that you have made the decision to become a MCJROTC cadet at Westview High School.

Semper Fidelis,

GENERAL INFORMATION

1-1. AUTHORIZATION OF JUNIOR ROTC. The enactment of Public Law 88-647 and codification in Title 10, U.S.C., Sec. 2031, authorized the military service secretaries to commission Junior Reserve Officers' Training Corps (JROTC) units at secondary schools that meet established criteria. Accordingly, the Secretary of the Navy has authorized the Commandant of the Marine Corps (CMC) to establish Marine Corps Junior Reserve Officers' Training Corps (MCJROTC) units throughout the United States.

1-2. PURPOSE OF MCJROTC. The purpose of the Marine Corps Junior Reserve Officers’ Training Corps program, commonly referred to as “Junior ROTC,” is to instill a value of citizenship, service to the United States, personal responsibility, and a sense of accomplishment. It does not seek any commitment to the military. The current legal basis for Junior ROTC is Section 2031 of Title 10, United States Code. That section is implemented by the Department of Defense. The governing directive, 1205.13 “ROTC Program for Secondary Educational Institutions,” is dated June 16, 1982. The Department of Defense funds and sponsors JROTC through the Secretaries of the Military Departments. MCJROTC is funded and sponsored through the Office of the Secretary of the Navy. Legally, the JROTC program offered in a high school must be no less than three years. Each year of the program contains 180 hours of leadership instruction and application. The program may extend over four years. Our program meets these requirements. Similar programs are conducted nationwide by the other three military services.

1-3. MISSION. Develop informed citizens, strengthen character by the teaching of discipline, and developing understanding of the responsibilities of citizenship.

1-4. OBJECTIVES. The objectives of the MCJROTC program are as follows:

a. To develop informed and responsible citizens.

b. To develop leadership skills.

c. To strengthen character.

d. To promote an understanding of the basic requirements for national security.

e. To help form habits of self-discipline.

f. To develop respect for, and an understanding of, the need for constituted authority in a democratic society.

g. To develop an interest in the Military Services as a possible career.
CHAPTER TWO
WESTVIEW HIGH SCHOOL MCJROTC

2-1. ORGANIZATION. The MCJROTC unit at Westview High School is designated a JROTC unit per Public Law 88-647, codified in Title 10, U.S.C., Section 2031. The Secretary of the Navy (SECNAV) has authorized retired commissioned and noncommissioned officers, and members of the Fleet Marine Corps Reserve whose qualifications are approved by SECNAV and the institution concerned, to serve as members of the Leadership Education staff. Members of the Leadership staff are employees of the school district and are responsible to school authorities for the conduct of the program. Course membership is limited to students who maintain academic and discipline standards acceptable to the Tolleson Union High School District and the U.S. Marine Corps.

2-2. THE MCJROTC PROGRAM

a. The MCJROTC program at Westview High School is a four year, four level, elective academic course which provides one credit for each year satisfactorily completed.

b. Students are normally assigned to the Leadership Education (LE) course level appropriate to their year in school/year as a cadet. That is, freshmen and new MCJROTC cadets are assigned to LE-I, sophomores/2nd year cadets to LE-II, juniors/3rd year cadets to LE-III, and seniors/4th year cadets to LE-IV.

c. Cadets will progress through the Westview High School MCJROTC program according to their satisfactory completion of the Leadership Education curriculum.

d. In most cases, cadets transferring from other than a MCJROTC program will receive full credit for training accomplished, although their rank and billet held may be adjusted, as necessary. However, cadets who have three years of prior JROTC experience from other than a MCJROTC program will not always be placed into the LE-IV curriculum. At Westview High School, LE-IV cadets should have the prerequisite knowledge and experience of MCJROTC, as they serve primarily as mentors and leaders for the rest of the cadets within the program.

2-3. GENERAL ENROLLMENT REQUIREMENTS. To be eligible for enrollment and continuance in MCJROTC unit, the student must:

a. Be enrolled in and attending a regular course of instruction at Westview High School.

b. Be a citizen of the United States, or U.S. National or alien lawfully admitted to the United States for permanent residence, and in a grade above the 8th grade.

c. Be of good moral character as determined by the principal of the school and the MCJROTC staff.

d. Be physically qualified to participate fully in the school's physical education program.

2-4. GENERAL DISENROLLMENT PROCEDURES. Cadets who are disenrolled from MCJROTC during the school year may receive a failing grade for the year, and lose the elective credit, whether or not they successfully transfer into another elective. Cadets may be disenrolled from the MCJROTC program for any of the following reasons:
a. Voluntary Requests – cadets who voluntarily request disenrollment from the program may be
disenrolled if approved. Additionally, cadets who transfer from Westview High School will automatically be disenrolled from
the program.

b. Enrollment Failure – cadets who fail to maintain enrollment standards may be disenrolled from
the program.

c. Academic failure – cadets must maintain a passing grade within the MCJROTC curriculum in
order to remain a part of the program. Additionally, cadets who do not maintain passing grades in three or more of their other
classes may be considered for disenrollment.

d. Poor attendance – cadets with demonstrated poor attendance, which may include both unexcused
absences and excused absences, if either or both are preventing the cadet from satisfactorily meeting the requirements of the
MCJROTC program.

e. Failure to wear the uniform – cadets who consistently fail to wear the MCJROTC uniform on
designated uniform days throughout the school year may be considered for disenrollment. Failure to wear the uniform three or
more times during a grading period may result in a failing grade for that marking period, and the cadet may be considered for
disenrollment.

f. Inaptitude – cadets who consistently demonstrate poor performance and/or an inability to
develop basic leadership skills may be disenrolled.

g. Poor attitude – any cadet who consistently displays a poor attitude and a lack of motivation regarding the
MCJROTC program may be disenrolled.

h. Misconduct – cadets who fail to obey the Tolleson Union High School District Code of Behavior, Westview High
School regulations, and/or any of the agreed upon enrollment requirements for MCJROTC as outlined in Part Two of the
“Application and Agreement for Enrollment in the Marine Corps Reserve Junior ROTC Program” (part of their Cadet
Processing Forms) may be disenrolled from the MCJROTC program. Additionally, cadets convicted of misdemeanor or
felony charges in civilian court may be disenrolled from the program.

2-5. PROGRAM BENEFITS. Successful participation in the MCJROTC program will enhance the cadet’s leadership skill,
character development, and self-discipline. Additionally, successful completion of two years of instruction in the MCJROTC
program may result in the following additional benefits.

a. Upon enlistment in the U.S. Marine Corps or the U.S. Marine Corps Reserve, enlistees will be
appointed to the rank of Private First Class (E-2), effective the date of enlistment (although grade insignia will not be worn
until completion of recruit training).

b. All branches of the Armed Forces afford similar promotion benefits to cadets upon enlistment
into the pertinent service. In some cases, promotion to E-3 is even possible.

c. Enrollment in a MCJROTC program enhances cadet readiness for the preparation of both ROTC
scholarship applications and/or applications to one of the service academies.

d. MCJROTC instructors may provide recommendation letters and/or letters of reference to cadets
who successfully participate in the MCJROTC program for inclusion into college/trade school applications.

e. MCJROTC instructors may provide job recommendations and/or reference letters to potential
civilian employers for cadets who successfully participate in the MCJROTC program.
MCJROTC LEADERSHIP EDUCATION. The program of instruction contained herein describes the curriculum being used in the MCJROTC program at Westview High School. The MCJROTC course of instruction is designed to emphasize leadership education and leadership development. Marine Corps uniforms are worn and training in Marine Corps history and customs, military courtesies, drill and ceremonies, grooming, physical training, and other military skills are used as vehicles to develop self-esteem, self-confidence, self-discipline, and basic leadership. MCJROTC cadets will participate in a Leadership Education level as dictated by the number of years in the program the cadet has completed. Accordingly, LE-I is for those cadets entering their first year of the program, while LE-IV is for those cadets who have successfully completed LE-I through LE-III. The Leadership Education levels are outlined as follows:

a. LEADERSHIP EDUCATION I (LE-I). The course of instruction is a combined program of classroom instruction and practical application designed to emphasize leadership education, citizenship, self-discipline, personal growth and responsibility, and character development. Basic training in leadership tenets, physical fitness, health, drill and ceremonies, military customs and courtesies, general military subjects, grooming standards, uniform wear and care, and military organization are taught as part of the cadets’ orientation to the Marine Corps and as a means to develop leadership qualities taught in class. Cadets are expected to wear designated Marine Corps uniforms on a weekly basis, and adhere to appropriate grooming standards. Extracurricular activities include Drill Team/Color Guard, Physical Fitness Team, Air Rifle Team, orientation trips, community service projects, and social events. The first year also gives the new cadets exposure to personal growth and responsibility, and establishes a foundation of military structure and tradition. Students planning to enroll in JROTC programs must meet program entry requirements.

b. LEADERSHIP EDUCATION II (LE-II). This course builds upon knowledge and experience attained during Leadership Education I. The course continues to stress classroom instruction and practical application designed to emphasize leadership education, citizenship, personal growth and responsibility, self-discipline, character development, and future career considerations. Training in leadership, physical fitness, drill and ceremonies, military customs and courtesies, general military subjects, air rifle marksmanship, and military history are taught as part of the cadets’ further orientation to the Marine Corps and as a means to develop leadership qualities taught in class. Cadets are expected to wear designated Marine Corps uniforms on a weekly basis, and adhere to appropriate grooming standards, and perform leadership roles within the MCJROTC cadet organization. Extracurricular activities include Drill Team/Color Guard, Physical Fitness Team, Air Rifle Team, orientation trips, community service projects, and social events.

c. LEADERSHIP TRAINING III (LE-III). This course builds upon the knowledge and experience attained during Leadership Education I and II. The course continues to stress classroom instruction and practical application designed to emphasize leadership education, citizenship, personal growth and responsibility, self-discipline, and character development. Training in leadership, physical fitness, drill and ceremonies, military customs and courtesies, general military subjects, air rifle marksmanship, and military history are taught as part of the cadets’ further orientation to the Marine Corps. During this year, there is an increased emphasis on the consideration and exploration of post high school educational and career opportunities. Cadets are expected to wear designated Marine Corps uniforms on a weekly basis, adhere to appropriate grooming standards, and perform leadership roles within the MCJROTC cadet organization. Extracurricular activities include Drill Team/Color Guard, Physical Fitness Team, Air Rifle Team, orientation trips, community service projects, and social events.

d. LEADERSHIP TRAINING IV (LE-IV). The course allows senior cadets the opportunity to serve as both a training facilitator for the MCJROTC instructional staff and as a mentor for junior cadets. Senior cadets are expected to display positive attitudes, requisite leadership ability, and perform in leadership roles within the MCJROTC cadet organization. Senior cadets are assigned to Leadership Education I or II classes to provide leadership, serve as role models, conduct training, and mentor junior cadets as a means to enhance their leadership education and prepare them for a career after high school. Cadets are expected to wear designated Marine Corps uniforms on a weekly basis, adhere to appropriate grooming standards, and perform leadership roles within the MCJROTC cadet organization.
Extracurricular activities include Drill Team/Color Guard, Physical Fitness Team, Air Rifle Team, orientation trips, community service projects, and social events.

2-7. SENIOR MARINE INSTRUCTOR (SMI). The SMI is a retired Marine Officer who administers and conducts the MCJROTC program at Westview High School in accordance with Marine Corps Order P1533.6E, and under the direction and guidance of Tolleson Union High School District, the principal at Westview High School, and the Director, MCJROTC.

2-8. MARINE INSTRUCTOR (MI). The MI is a retired Marine Staff Noncommissioned Officer (SNCO) who assists the SMI in the operation of the MCJROTC program at Westview High School.

2-9. CADET EVALUATION/GRADING. Class standing is determined per the standards set forth by the Tolleson Union High School District. Students who participate in the JROTC program will receive credit for each semester successfully completed. Overall MCJROTC grades for each cadet are determined by the MCJROTC instructional staff based on the cadet’s performance in the following areas:

Grading Policy. Cadets of Marine Corps JROTC will be graded in multiple areas of the program. The academic curriculum portion of the program will be graded very much like other traditional high school classes. However, as part of their overall MCJROTC grade, cadets will also be observed, evaluated and graded on their leadership performance. Leadership performance will encompass carrying out one’s cadet duties and it will also cover participation in citizenship activities and other MCJROTC activities.

Grading students is the responsibility of the JROTC instructor staff. Scores are the responsibility of the cadet! Cadets are responsible for knowing what is happening each week in the JROTC. A training schedule is posted in the classroom and all events for the month are clearly described, including all exam and assignments. Assignment rubrics will be posted in the classroom to ensure Cadets understand how they are being graded. Cadets must read the training schedule to keep abreast of unit activities, so that they can plan accordingly and be successful. Assignments missed due to absences are the responsibility of the cadet. Cadets who have an excused absence will be given the opportunity to make up the work upon returning to school. Assignments must be completed as scheduled. Cadets who fail to make-up an assignment will receive an “F” for that assignment. Cadets will have one week or the first day returning to school to make-up missed assignments.

Grading Scale. Each quarter will count for 45% of a student’s grade, and the semester test is 10% of the grade.

Letter Grade Equivalents. The following scale is used to determine exact letter grades.

- A = 90 -100%
- B = 89 - 80%
- C = 79 -70%
- D = 69%-60%
- F = 59% and below

2-10. COMPLETION CERTIFICATES. Completion certificates will be awarded to all cadets who satisfactorily complete two years or more in the MCJROTC program.

CHAPTER FIVE

MILITARY CUSTOMS AND COURTESIES

5-1. GENERAL. MCJROTC cadets will observe and practice military customs and courtesies as part of the curriculum. Cadets will familiarize themselves with these customs and courtesies. The principles of military courtesy are basic courtesies applied to military life and are augmented by military customs of long-standing tradition.

5-2. COURTESY. Courtesy is the accepted form of politeness among civilized people. Courtesy builds personal relationships among individuals in all walks of life. Just as you show courtesy in civilian life, military courtesy requires that you show respect to your seniors, your peers, and your subordinates.

5-3. SALUTING

   a. In the Marine Corps, we are not covered (wearing a service cap) indoors, and therefore do not salute while indoors, unless under arms.

5-4. HONORS TO THE COLORS, NATIONAL ANTHEM, AND THE MARINES’ HYMN

   a. When in uniform, outdoors, and not in formation or a vehicle, and the National Anthem is played, you will come to the position of attention, face the flag or direction of the music if the flag cannot be seen, render the appropriate salute, and hold the salute until the last note of the music is completed. When in formation during the playing of the “National Anthem”, salute only on the order, “Present, Arms”.

   b. When indoors, whether you are in uniform or not, and the “National Anthem” is being played, you will stand at attention and face the flag or the direction of the music if the flag cannot be seen, until the last note of the music is complete.

   c. When outdoors, in uniform, and not in formation, and the Colors are being marched by, halt (if you are moving), come to attention, and salute the Colors until they pass you by. If outdoors, in uniform, and in formation, and the Colors are being marched by, the senior cadet member will call the formation to attention, and the senior cadet member will salute the Colors until they have passed by.

   d. During the playing of “The Marines' Hymn”, whether indoors or outdoors, and whether you are in uniform or not, you will stand at the position of attention until the last note of the music is played.
CHAPTER SIX
UNIFORM GUIDELINES AND PERSONAL GROOMING STANDARDS

6-1. GENERAL. The appearance of a cadet is a measure of pride in the MCJROTC program, Westview High School, and our country. The uniform that a cadet is issued is the same as those issued to U.S. Marine Corps personnel, with the exception of MCJROTC patches and nametapes, and associated cadet rank insignia. Since 1775, Marines have worn their uniform with pride and distinction, many giving their lives while wearing the uniform in service of their country. Accordingly, the MCJROTC uniform will always be worn properly, neatly, and proudly. Repeated failure to wear the uniform appropriately will result in the confiscation of the uniform. This action will adversely affect the cadet’s military proficiency grade and overall course grade. Confiscation of the uniform may also result in disenrollment from the program.

6-2. UNIFORM PROPERTY. The uniform issued to MCJROTC cadets is the property of the U.S. Marine Corps and is issued to cadets on a recoverable basis. It will be returned to the control of the Westview High School MCJROTC staff at the end of the school year, immediately upon separation of a student from the program for any reason, or upon request of the SMI/MI.

6-3. UNIFORM ISSUE. Cadets will be issued uniforms during their first month of the school year. Uniform parts will be issued/reissued as necessary to ensure that the cadet has a complete and properly fitting uniform. Uniform parts that require replacement due to size changes or normal wear will be replaced in kind without charge to the cadet. Uniform parts which have been lost or damaged will be paid for by the cadet and replaced at the cost stated in the current Marine Corps uniform price list.

6-4. UNIFORM DAY. Cadets will be required to wear their uniform at least one day per week. The SMI/MI will prescribe which day is uniform day for each class. Cadets are required to know uniform wear assignments and will wear the prescribed uniform accordingly. The MCJROTC uniform will be worn to and from school, and throughout the day while at school, on assigned uniform days. Changing out of uniform for physical education or extracurricular activities is permissible with prior permission from the MI or SMI. Unless there are exceptional circumstances, Cadets must request permission from the SMI/MI to modify their uniform day prior to the scheduled date to wear the uniform in order to receive an excused uniform day and schedule a make-up uniform wear date. Cadets who receive an excused uniform day will make-up the uniform day during the same week of the excused uniform day. Exceptions to a cadet’s weekly uniform day will be handled on a case-by-case basis. Cadets are normally inspected in their uniform on uniform day, and since this is a graded event, if a cadet fails to make-up the uniform day during the same week, he/she will receive zero for both the uniform grade and the inspection grade. Three or more uniform grades of zero during a marking period may result in the failure of the MCJROTC Leadership Education class for the marking period. Failure to participate in the Annual IG Inspection may result in the failure of the MCJROTC Leadership Education class for the marking period as well.

6-5. UNIFORM WEAR. The MCJROTC uniform will only be worn during the times prescribed by the SMI/MI. The uniform will NOT be worn under circumstances which will subject it to unnecessary soiling, damage, or undue wear. Permission to wear the MCJROTC uniform outside of the scheduled uniform day or other MCJROTC scheduled extracurricular event must be obtained from the SMI/MI.

6-6. UNIFORM INSPECTION. Cadets are required to wear the prescribed uniform one day per week. On that day, cadets will normally be inspected in uniform as part of their military proficiency grade. See APPENDIX C for a sample uniform inspection checklist.

6-7. UNIFORM ITEMS. The MCJROTC uniform will consist only of those uniform items issued by the MCJROTC staff. No unauthorized items will be worn with or attached to the issued uniform. Conversely, uniform items will NOT be worn with civilian attire at any time.
6-8. UNIFORM TYPES. The type of uniform worn by cadets will be designated by the SMI/MI in accordance with availability of uniforms. Accordingly, the type of uniform issued to a cadet will normally be determined by his or her year in the program. Except for Drill/Ceremonial team members, LE-I cadets will only be issued the utility uniform. LE-II through LE-IV cadets will normally be issued the utility uniform and/or the seasonal service uniform. Uniform types include:

a. Blue Dress “Alpha” – Blue trousers or slacks with blue coat, medals and ribbons.

Since marksmanship training and competitions occur after normal school hours and on weekends, only cadets who are available after school and on weekends should volunteer for participation on the Air Rifle Marksmanship Team.

9-5. COMMUNITY SERVICE PROJECTS. The MCJROTC unit will have opportunities throughout the year to participate in community service projects. Participation in Community Service projects not only benefits the local community, Westview High School, and the MCJROTC unit, it also serves to strengthen the leadership skill, character, and personal growth of individual MCJROTC cadets.

9-6. FUNDRAISING. The MCJROTC unit will have opportunities throughout the year to participate in fundraising projects. Fundraising projects enhance the MCJROTC unit’s ability to participate in other extracurricular activities, to include orientation trips and summer camps. Also, fundraising allows the MCJROTC cadets to explore creative ways to promote MCJROTC at Westview High School.

9-7. CADET LEADERSHIP CAMP (CLC). Unit sponsored CLC’s are conducted during the summer for highly motivated JROTC cadets. CLC is a fun, competitive, and physically demanding program designed to teach leadership skill and teamwork.

9-8. ORIENTATION FIELD TRIPS. The Westview High School MCJROTC unit seeks opportunities to take MCJROTC cadets to local Department of Defense installations when possible, to give the cadets an orientation of life in the military.

9-9. ORIENTEERING PROGRAM. The Westview High School MCJROTC program offers opportunities to conduct orienteering training, practical application, and competition during the school year.
