For Union Colony Schools

A few changes have been made for the 20-21 school year!

Policy and Guidelines Governing School Bus Students

*Union Colony Schools provides bus service to and from Union Colony Elementary and the Preparatory school for eligible students who attend a Union Colony School. This service is provided at the school's expense and is offered as a courtesy to eligible students.

*If the number of requested riders exceeds our capacity, Union Colony will use a lottery to determine available seats for that school year. After the annual lottery, applications will be placed on the waitlist in the order they are received. **Bus passes are only good for that school year. They do not roll over to the next year. Applications must be submitted yearly by May 31.**

*Parents must have a completed application **and** be accepted before a student will be allowed to ride the bus for the current school year.

There are several options available to you and your student (s).
