Dear Union Colony Family,

The staff has been working incredibly hard to give all Union Colony students, K-12, the opportunity to attend **full-time, in-person learning** this year. K-7 will attend full-time, in-person learning **every day**. High school students will attend every day as well, and will have some additional flexibility. Mrs. Burns will be sending out details Wednesday, August 5.

PLEASE NOTE: The **first day of school** is now **August 20**. It requires an immense amount of preparation to provide quality in-person instruction to all students within the safety guidelines. Please note that the plans below reflect current guidelines which are ever changing.

We recognize, though, that distance learning might be the right environment for some families at this time. **We support you** and will offer assistance in finding a quality program if necessary. For example, click [here](#) for the Greeley-Evans School District 6 Online Learning Parent-Student Handbook. We'll be happy to reinstate your seat when/if you decide to return to Union Colony during the 2020/2021 school year. If we are at capacity you will be at the top of the waitlist. **Once a Timberwolf, always a Timberwolf.**

I encourage you to treasure the time with your family during the few weeks remaining this summer. Get ready for us, we'll be ready for you!

Sincerely,
Jim Anderson
Director
