Excellence in education

Mission. Union Colony Schools involve students in educational experiences that prepare them to excel in college or other post-secondary educational endeavors.

Vision. The vision of Union Colony Schools is to provide an educational program, Kindergarten through Twelfth grade, that recognizes and attends to the many and unique needs of its students. The Schools will assure each student the opportunity to reach their full potential intellectually, socially, emotionally, and physically, while developing a love of and respect for learning. The vision encourages each student to become compassionate, productive and contributing members of society with high academic and moral standards which are sustained by a commitment to excellence in all aspects of school life.
