

Mass Is Projected into the Gathering Space

The Mass is the most cherished element of our Catholic faith, and we strive to make it welcoming to all. People with various special needs may find it difficult to sit in the church space but may still want to attend Mass somehow.

Our Lady Queen of Peace Parish has installed monitors in the Gathering Space and now projects most weekend Masses there.

There are comfortable tables and chairs in the area and ready access to church for those who wish to take Communion.

All are welcome!

Please note: There will be times when the Gathering Space will be in use during weekend Masses for preparation of after-Mass activities. Unfortunately, this cannot be avoided. Thank you for your understanding.
