

School & Family Service Initiative Sign Up!

Each QP Family is required to serve at School & Family fundraising and social events and teacher appreciation and other programs each school year. A S&FA Event Calendar is located on the School & Family Association homepage on the Our Lady Queen of Peace Website. Sign-ups will be posted as event dates approach. Read the weekly Wednesday Update email for information on new sign-ups. Sign up early to get the spots you want.

Because of the high number of volunteers needed for these events, we are asking all families to participate in at least one event. Of course, everyone is invited to participate in any/all events that best fit your family's busy schedule! The more, the merrier!

How Do I Sign Up?

Go to the School & Family Association portion of the QP website and click on the "Volunteer Now" button on the homepage.

A list of active sign-ups will appear. Click on the one you want to sign up for. If you are not already a member of Sign-up Genius, you will be asked to register at that time.

It's that easy!!
