

Kayenta Unified School District Hotspot Lending Acceptable Use Agreement

The Kayenta Unified School District has established a Wi-Fi hotspot lending program to help bridge the digital gap in our community. In order to borrow a Wi-Fi device from the district, a student and their parents/guardians must sign this Hotspot Lending Acceptable Use Agreement.

Hotspots may be borrowed each semester and may be renewed if there are no holds on student's account. Hotspots not returned or renewed by the due date will have service deactivated. Students are limited to one (1) Hotspot per household at any given time, unless authorized by an administrator.

I, the undersigned, understand and acknowledge that Hotspots are unsecured, wireless networks and that any information being sent or received over the network could potentially be intercepted by another wireless user. Hotspot borrowers are cautioned against transmitting their credit card information, passwords, and any other sensitive, personal information while using the wireless network. Due to this inherent insecurity, I agree that I use the Hotspot at my own risk and agree to release the Kayenta Unified School District from any liability, damages, or expenses resulting from the use or misuse of the Hotspot, connection of the Hotspot to other electronic devices or data loss resulting from the use of the Hotspot.

Any use of the Hotspot for illegal purposes, unauthorized copying of copyright-protected material in any format, or transmission of threatening, harassing, defamatory or obscene material is strictly prohibited. I agree to comply with all applicable federal, state and local laws, including those regarding obscenity and the delivery of any such material to minors and KUSD policies.

I acknowledge and agree that if I lose or damage the Hotspot, the replacement cost will be \$100.00. The daily late fee will begin to accrue at a rate of \$1.00 per day on the first day the hotspot is past due. At 45 days overdue, a replacement fee of \$100.00 will be charged to my student account.

Kayenta Unified School District reserves the right to refuse service to students who abuse the equipment or who are repeatedly late in returning school property. I acknowledge and agree that my failure to comply with this Hotspot Lending Acceptable Use Agreement may result in suspension of my hotspot borrowing privileges.

* Note: Online content accessed through Apple iPads and/or Chromebooks are filtered and monitored by the school district. Students are subject to disciplinary action in accordance with the district's internet policy.
