

HELP AJO SCHOOLS— FOR FREE!

Here is a wonderful chance for you to enrich the education of Ajo's kids and produce better citizens for tomorrow. It's simple; it will cost you nothing; and best of all, you'll feel great for having made a positive contribution to our community.

A WIN-WIN OPPORTUNITY

Arizona statute ARS 43-1089.01 allows any taxpayer to give up to \$200 (\$400 for a couple filing jointly) to the school of their choice before the end of the year and then take that amount off the bottom line of their tax bill in the following year. Total cost—zero!

YOU HAVE MANY CHOICES

In addition, donors can indicate how, in general, they want their money spent for extra-curricular programs such as the technology club, the science club, music, sports, field trips, after-school classes, and more.

It's a slam-dunk, but it does require that we care enough about our children to actually do it.

If you have questions, call 520-387-5618, or join us on the Internet at: www.ajoschools.org

Please fill out and clip the attached form and mail or return it with your check for up to \$200 (per person) to the Superintendent's Office on Well Road. You will get a receipt for the amount, which you subtract from the bottom line of next year's Arizona tax.

Best of all, instead of being spread in a microscopic layer around the State, the amount you give will stay right here in Ajo—for our students.

The tax credit program is available to all Arizona taxpayers, whether they have children in school or not. Credits apply to personal taxes only; businesses are welcome to donate, but may not claim this credit.

Not everyone will have a State tax bill of \$200 (\$400 filing jointly), so you may donate less, but only the amount you donate will be eligible for a refund.

Donations that do not specify a specific area will be placed in to a General As Needed fund.
