March 24, 2021

Hello!

As we prepare to enter the Hybrid learning model next week, I wanted to send a few reminders: The Hybrid learning model will begin on Monday (March 29th). The school office has contacted every family to inform you of your scheduled Group (A/B) and days of attendance or marked your student as "Online only" (per your request). Group A students attend Monday/Thursday - Group B students attend Tuesday/Friday. Unfortunately, we will not be making group changes, due to the need to keep our groups balanced and students physically distanced.

NO SCHOOL on Friday (April 2nd) - April Holiday (B Group will only be attending Tuesday this week).

We highly recommend additional tutoring time on Wednesday with your teachers via ZOOM.

Student Needs for Returning to Campus & Attendance Expectations:

1 - Students will need to have their **Computer, Headphones, Masks & a Water Bottle** with them daily.

A small bottle of hand sanitizer is also recommended.

2 - Face masks that cover the nose and mouth must be worn at all times, except when eating.

3 - Students must arrive on time in the morning. Any student arriving after 8:15 must be checked in at the school office and will wait until 8:30 to be escorted to class (to avoid multiple classroom disruptions). Students arriving at any time after 8:30 will check in at the school office with a parent/guardian and wait for the beginning of the next class session.

4 - Students may not arrive on campus before 7:45 and playgrounds will not be open during the day. Classrooms will be open for student entry beginning at 8:00.

We are certain that we will need to address things that haven't been thought of, but please know that we will respond in a rapid manner as issues arise. We are excited to have more of our students back on campus.

Thank you for your partnership in bringing our students back to school in a safe manner. We are looking forward to a positive finish to a very unique and memorable school year. If you have any questions, please reach out to us at the school office 520-387-7602.

Sincerely,

Leonard Edlund

Leonard Edlund, Principal
