

St. David Unified School District
Where Students Are Our Primary Focus

08/21/2020

Dear Parents/Guardians:

We appreciate the feedback we have received on our student pickup procedures and the traffic backup. Starting Monday we will start the following procedures for pickup to help create a safer pickup for students.

Pickup Procedures:

- Students will be lined up for pick up by 1:55 please try not to arrive earlier than 1:45.
- When entering campus please turn left and enter the designated lane in the dirt parking lot. The lane will have chalked arrows and be outlined by cones. The lane will take you around student parking. Once you get around the student parking you will enter the pickup area. **Please Do Not enter the pickup Area without going around student parking in the dirt parking lot.**
- When you enter the pickup area in front of the 38 building please pull all the way forward and do not stop at your student's class line up area. An employee will get your student and walk them to your vehicle. **Please Do Not Park your vehicle in the pickup lane and get out.**
- Our staff will do our very best to deliver students to vehicles as fast as we can. Please do not pass in the pickup area this can be very dangerous as there are young kids around. If you would like to visit with a teacher please park and setup an appointment.

We are planning on starting partial bus routes on August 31st with the hopes of re-opening up all bus routes the week of Sept 7th this should alleviate some of these issues but drop offs and pickups have been an issue in past years as well, and we want to always try to make this as safe as we possibly can.

Sincerely,
St. David Administration
