Principal's Corner

Finish Strong. One of the things that really inspires me is watching how a Cross Country runner finishes a race. They have been running for over 2.5 miles yet they dig deep and finish the course in a sprint trying to receive the best time. We encourage your students to have this same mindset as we are turning to the final stretch of the school year. Please check your student's grades often and contact teachers with concerns. Let's encourage students to finish the year strong!

- St. David FCCLA is supporting children going into heart surgery by participating in a "Bravery Bag Drive". Thank you, FCCLA.
- Congratulations St. David Staff member Parker Floyd on being accepted into the graduate program at Indiana University. We wish you the best of luck.
- 3rd Grade students learned graphing by marking graph points on the sidewalk with sidewalk chalk and measuring the distance of paper airplanes and graphing them. Great job, 3rd Grade.
