### Principal's Corner

St. David Schools hosted an Anti-Bullying assembly this past week with the Cochise County Sheriff's Department. Their presentation gave students information about bullying and ways to help handle a situation of bullying. Some tips were given that included:

- In verbal bullying, change the subject. Ask the student bullying a question non-related to the situation then try to remove yourself from the situation.
- Say NO if you're being asked to do something.
- Strength in numbers! If bullying is being witnessed interject and invite the student to go do something.
- If a student is experiencing bullying, please report it.
