Parents and Guardians,

We are writing to inform you that Governor Ducey announced today that school closure will be extended until April 10th. School lessons and work will be provided for students, this work will be mandatory and required to turn in as it will be graded and monitored by teachers.

Teachers will be delivering content to your student via email or google classroom as well as packets for students who do not have access to the internet. Packets will be dropped off at bus stop locations by school employees. The work should be completed and sent back to teachers via email or google classroom. Completed packets will be picked up when the new packets are dropped off.

Packets will be distributed on Tuesday mornings. The drop off schedule will be posted on the school website, Facebook page and mass emailed out to parents. The drivers will wait at the drop off locations for approximately 20 minutes allowing time to reach the destination to pick up and/or exchange packets.

Parents/guardians of students with IEP's will be contacted by school staff to offer services and accommodations.

If your child needs hand delivered packets please email your teacher to request physical packets by Monday at 10:00 am.

We appreciate all of your support during this challenging time. If you have any questions or concerns please feel free to contact us at [abrogan@stdavid.org](mailto:abrogan@stdavid.org) or [jwatts@stdavid.org](mailto:jwatts@stdavid.org)

Thanks,
