SCHOOL DAY# 25

ANNOUNCEMENTS: Our school District Wellness Committee is looking for 2 HS students to volunteer to serve on the committee. This is an excellent thing to be able to put on your resume for college and employment. Any students interested in joining the wellness committee should contact Mr. Crum. Our first committee meeting for this school year will be 7:00 AM, this Friday, Sept. 13 in the board room.

Hey guys, yearbooks are on sale now! If you are interested, go see Mr. Barker in room 911. In the future, you'll want to reminisce of these fantastic days!

We still need high school students to work concessions. Please sign up with Mrs. Weisling.

Students interested in joining FCCLA - dues need to be paid by Sept. 15th. Everyone is invited to the Chapter Meeting September 14th and see what it is all about.

High School HOPE Squad lunch meeting this Friday for all former members and those that would like to be part of the HOPE Squad this year. We'd love to have you join us! Please sign up at the Nursing Lab so we know how much food to provide. See you there!
