News: We have seen some great things happening around campus!

- We would like to thank maintenance department for their help in cleaning the gym floor after the flooding on Friday night. We would also like to thank Pam Crum and Jessica Etter as they volunteered their services in the effort to clean up.
- Congratulations to the Middle School Volleyball Team as they won the St. David Invitational Tournament on Saturday.
- Mr. Taurins has prepared what should be a very entertaining half time show this Thursday.
- Students have made "All About Me" posters in MS Writing.
- We recognized elementary students at their assembly Monday with "Caught Being Good" awards.

There are many other things that we are doing well. Keep up the great work!
