I want to start by saying thank you to our staff for making this a great school and somewhere I wake up every morning a place I love coming to. I wanted to thank Maya Wallace for her efforts in the San Pedro Valley Fair this past Saturday it was an enjoyable event, thank you Jean Weisling for preparing the food for the event and thank you all the K-8 teachers who displayed student exhibits for the fair and helped at the PTO games.

We have had some exciting things go on the past couple of weeks:

- Our HS Knowledge team finished 2nd again in the last meet and continue to show very well.
- Our MS had their first Knowledge bowl meet of the year and had a great experience.
- Our Volleyball and Football teams in HS just got big wins this past week, Football defeating Fort Thomas and Volleyball winning against Benson.
- MS Stem created a chemical reaction by making slime.
- 5th Grade learned and labeled the bones in the human body

We are doing great things keep up the good work!

Remember it is Terrific to Be a Tiger!
