## SUMMER DAY CAMP 2020

Dear Parents,

### Welcome to Grace Lutheran Summer Day Camp 2020!

We are looking forward to a fun summer full of Christian fellowship, educational activities, art, STEM activities, technology, crafts, music, sharing of God's word, field trips, special events, and tons more summer fun! Check out our Camp Handbook located on our website at [gls-hsv.org](http://gls-hsv.org) or stop by the office to pick up one. The handbook will answer many of your questions about how the camp will be structured and managed. Please feel free to contact us with any questions you may have. There will be an orientation the first day of camp. This will be a small meet and greet giving you the opportunity to meet our staff.

### Registration

Registration is online this year. Please go to the link: <https://form.jotform.com/200335696339157> to register. After you have submitted your packet, you will receive a registration confirmation email. If you need to change any of the information in your submission, please contact us. A \$40 enrollment fee is due with registration. This can be paid in the school office by cash or check. Please note that the fee increases to \$65 on May 1, 2020. Please contact Christina Roberts at 256-881-0553 or [summercamp@gls-hsv.org](mailto:summercamp@gls-hsv.org) with any questions.

We look forward to meeting you at orientation.

Sincerely,

Christina Roberts
