## **Director of Information Technology**

Central Intermediate Unit 10, a premier educational service agency located in central Pennsylvania, is seeking a full time (12 month-Act 93) Director of Information Technology with knowledge, experience and proven ability to develop and support an enterprise infrastructure, enterprise security and building automation systems. Experience with classroom management systems, learning management systems and other educational technology resources required. This Cabinet level position will provide leadership, training and support to colleagues and K-12 educators both internally and to external stakeholders in a three county region.

Experience required in Cisco and Ubiquiti infrastructures, Microsoft Windows and Apple operating systems and VMware virtualization platform. Relevant certifications in Cisco, Amazon Web Services, Google Cloud, or cybersecurity preferred. The ability to use data driven decision making for new projects or system improvements, along with excellent oral and written communications skills required. Please apply if you are a dynamic, energetic leader who enjoys a collaborative and entrepreneurial work environment.

The successful candidate will have supervisory and project management experience and a degree in Business Administration, Information Systems, Computer Science, Engineering or Educational Technology plus five years or more of related experience. This position has a regionally competitive salary and benefit package. Interested applicants are encouraged to apply by October 12, 2021, and will find the online application on the Central Intermediate Unit 10 website [www.ciu10.org](http://www.ciu10.org) Human Resources Department page [Job Openings](#). Questions can be addressed by calling HR at 814.422.4143. Candidates will be required to submit Act 34, 151, and 114 clearances as part of the application process. EOE.
