Advancement Activities

Tuition for the 2021-2020 school year only covers a portion of the cost of educating the students. The balance of the cost is covered through various Advancement activities and a subsidy from Saint Rita Parish. All families agree to contribute to the fundraising activities of the St. Rita Home and School Association in the minimum amount of \$150 per child (\$50 for the third child and no additional charge for any additional child above 3). In order to qualify, this minimum fundraising must be completed during one of 3-4 HSA specified events throughout the year. If you have not met this minimum fundraising obligation during one of the 3-4 HSA specified events throughout the year, the balance will be added to your tuition account

Tuition Gap The actual cost to educate one child at St. Rita School is \$6,306. The current cost charged to educate one child at St. Rita School is reflected in the tuition costs. In essence, every child at St. Rita School receives a grant of at least \$1,160/\$343 per child based upon Catholic/non-Catholic or Unaffiliated rates per child. (For three or more students the increase per child increases).
