

Keystone Test Takers for the 2020-21 School Year

Class of 2021: No Seniors will be testing...

Class of 2022: Juniors are not required to take the Keystone Lit Exam who had the trigger course in 19-20). They will receive a non-numeric proficient and scores are not required for Graduation. We have already eliminated the Juniors from the Keystone Literature Assessment

Class of 2023: Sophomores currently enrolled in a current 20-21 trigger course are required to take the Keystone end of year exam. Religious reason is the only means to opt out of this exam. This 20-21 cohort data, including participation data will factor into federal accountability and state reporting, graduation, and other local policy decisions.

Sophomores who had the trigger course in 19-20 will receive a non-numeric proficient score. Yet, these students are required to have all 5 Graduation Pathways offered to them for graduation eligibility. They are not required to retest but will need to be aware that they are required to meet 1 of the 5 graduation pathway options.

Class of 2024: Freshman currently enrolled in a current 20-21 trigger course are required to take the Keystone end of year exam. Religious reason is the only means to opt out of this exam. This 20-21 cohort data, including participation data will factor into federal accountability and state reporting, graduation, and other local policy decisions.

Freshman who had the trigger course in 19-20 will receive a non-numeric proficient score. Yet, these students are required to have all 5 Graduation Pathways offered to them for graduation eligibility. They are not required to retest but will need to be aware that they are required to meet 1 of the 5 options.
