March 2021

Dear Parent or Guardian,

The Lake-Lehman School District will begin Keystone Exams on May 24, 2021. Lake-Lehman is proudly ranked as one of the highest performing schools in the region. We look forward to continuing this trend by showcasing our students through a great testing year. Please help support your students by encouraging proper rest and preparation for these tests. The LLHS will test one section per day. Students should come prepared, having a good breakfast, adequate rest, and a good mindset for the testing. Testing begins promptly at 8:00 am each morning.

The following schedule for the exams has been developed:

May 24 & 25th - Algebra
May 26 & 27th - Literature
June 1 & 2nd - Biology
June 3, 4, 7 & 8th Make-ups

According to Act 158, students in the 2023 graduating class must demonstrate proficiency on all three tests to graduate. Please see the Keystone Pathways for more information on graduation requirements. The combination of a student's best score on Module 1 and Module 2 for any exam will be used to determine his/her overall score. Attached is information from the Department of Education on the Keystone Exams.

Educationally,

Douglas Klopp
Principal
Lake-Lehman Junior-Senior High School
