

LAKE-LEHMAN SCHOOL DISTRICT
PO BOX 38
LEHMAN, PA 18627

August 12, 2021

Dear Parent/Guardian,

The first day of school for all students will be Tuesday, September 7, 2021. We are welcoming our kindergarten students and families by hosting a *Kindergarten Orientation* on Tuesday, August 31st. A designated time has been scheduled for both you and your child to attend the program.

At the orientation, you and your child will meet your child's teacher and receive a packet of information which will include bus instructions, schedules, cafeteria information, and an emergency health information card. Your child's teacher will also review important information and procedures with you. Your child will get a tour of the classroom and have an opportunity to meet other children that will be in his or her class. Any questions or concerns that you may have can be addressed at that time.

The *Kindergarten Orientation* will be held at your child's elementary school. Class lists will be posted in the elementary school on the day of the orientation so you will know which classroom to visit. The orientation times are listed below. Please attend the session that pertains to your **child's last name**:

8:15-8:45 AM	A-E
9:00-9:30 AM	F-J
9:45-10:15 AM	K-O
10:30-11:00 AM	P-S
11:15-11:45 AM	T-Z

Due to time constraints and the number of students, it is imperative that you attend the session that corresponds to your child's last name. Your child's kindergarten teacher will begin the session on time so please be prompt. It is important that you and your child are present to participate in the orientation program. Please refer to our health plan, posted on the district website, for information on Covid Guidelines within our schools.

We look forward to seeing you on Tuesday, August 31st.

Sincerely,

Lake-Lehman Elementary School Principals and Kindergarten Teachers
