

Lake-Lehman School District

Information for Parents/Guardians on Continuity of Education Plan March 27, 2020

LLSD will provide Enrichment, Review and Maintenance of Materials for all students while school is closed during the Covid-19 Crisis. Please continue to use the resources posted on our webpage for ALL students in Grades K-12. Online activities through Google classroom for students in Grades 3-12 will begin March 30. These activities are not mandatory, but they are a great way to help keep your child engaged in learning while home. Please encourage your child to participate. Feel free to reach out to your child's teachers via email with any questions. Class Dojo is also available for many classrooms at the elementary level. We are here to help! Any family experiencing problems accessing the internet at home, please contact the Technology Dept. at 570-255-2804.

- If your student is in grades K-2, please stop by your school on Monday, March 30 at the designated time to pick up a work packet.
- If your student is in grades 3-6, please stop by your school on Monday, March 30 at the designated time to pick up a chrome book and/or work packet.
- Any student in Grades 7-12 who does not have his/her chromebook at home should stop by the JSHS according to the scheduled times indicated in Mr. McGovern's letter (posted on FB and LLSD webpage). All AP students have a designated pick up time for materials as well.

We will continue to update our families as more information becomes available regarding the closure of school. Please keep your family safe and continue the Department of Health's recommendation of social distancing. Thank you.
