

Kindergarten Readiness Program

2018-2019

Lake-Lehman School District will be offering a Kindergarten Readiness Program for the 2019-2020 school year. This program is broken into three segments throughout the year. Activities are provided for both the child and parent to instill a sense of comfort and familiarity for their first elementary experience. The orientation provides information about Bus Safety, Reading and Math readiness, nutrition and pre-registration in order to prepare you and your child for Kindergarten. This program is intended for children who will enter Kindergarten in the 2019-2020 school year. Children entering Kindergarten must be 5 before September 1, 2019. Please call your appropriate elementary school to register. This information can also be found on the Lake-Lehman website at www.llsd.org.

The programs are as follows:

Bus Safety and Reading: At the first program, Title I reading teachers will offer reading strategies and interventions to prepare your child for Kindergarten and your child will go for a bus ride.
