SKCS Virtual Gala

This year's Gala will look a little different than years before
To keep compliant we have something in store
An evening at home with a meal for you
So we can raise funds for the school and stay safe too!

This event is the annual Gala Fundraiser where parents of our students along with parish and community members come together for a night of fun. However, with the global pandemic, we had to change things to accommodate the safety of our St. Kieran's families. This fundraiser is a crucial part of raising funds for needs of our school and students and the event this year is no different, in that aspect. We encourage your participation as well as reach out to family and friends who may want to get in on the raffle and auction opportunities that we will present. Help us reach our \$30,000 goal!
