FLU Q&A

Q: How does flu spread?

A: Most experts believe that flu viruses spread person to person, mainly by tiny droplets made when people with flu cough, sneeze, or talk.

Christmas Food Bags

As we have done in years past, St. Joseph's Pantry, our parish emergency food pantry, will be distributing Christmas Food Bags to 140 needy families. This year we are asking your help in providing
dry cake mixes,
tubs of frosting,
dry stuffing mixes (i.e., Stove Top or Mrs. Cubbison's)
to add to the distributed bags.

If you would like to donate one or more of these items **before December 12th**, you may drop them off at the Parish Administration Office
The school office, or
St. Joseph's Pantry on Saturdays between 10:00 - 11:30 AM. **The Pantry will be closed November 28th.**
