PARENT TEACHER CONFERENCES

Are coming up

K-5

Thursday, Nov. 4th and Friday Nov. 5th

K-5 will have their usual 15 minute scheduled conference in person with the teacher.

Middle School

**Wednesday, Nov. 3rd, Thursday, Nov. 4th
and Friday, Nov. 5th**

**Middle School will have a different
format.**

Middle school *students & parents* will meet with each of the Middle school teachers.

Conferences are scheduled for 30 minutes. Approximately 5 minutes with each teacher.

Schedules have been **roughly** coordinated with K-5 schedules to accommodate parents with middle school and K-5 students.

We have tried to keep any wait time minimal.

Schedules will be sent by email on October 18th with hard copy to follow in the Thursday envelope.

**We urge you to do your utmost to
keep the date and time assigned.**

That being said, any changes are to be made directly with your child/ren's teacher/s.

The undefeated SKCS volleyball team played a tough outdoor match on Saturday against St. Charles. The short-handed Panthers battled windy conditions, a blinding mid-day sun, and a well-prepared opponent. Despite missing three key teammates, our girls stood tall and faced adversity head-on.

While St. Charles took the first set 25-19, the girls believed they had a chance. Feeling confident and relying on excellent serving by Katie, Gigi, and Ashley, our girls battled back to win the second set 25-21. The exciting third set featured great plays by Londin and Hailey. Aja calmly aced the final serve to win the third set 15-13 and the Panthers celebrated their third straight victory by playing on the nearby swing set.

- **If you are only driving your own child, none of the above applies.**

Volunteers Needed!

Urgent!!!

Middle School Elective Coordinator

This can be done from home!!

♦ Job includes getting "teachers", putting the students in the classes, reminding "teachers" when classes are via e-mail or text, and possibly shopping for the classes.

If we do not get a Coordinator there will be NO MIDDLE SCHOOL ELECTIVES.

Teachers needed for Middle School Electives would be: Arts & Crafts, Home Economics, Cooking, Sewing, Sports, woodworking or anything you would like to teach the students.

Commitment: 55min class, 4 classes a semester
