The Season of Creation

The Season of Creation spans five weeks between the
World Day of Prayer for the Care of Creation (Sept. 1st)
And the Feast Day of St. Francis of Assisi (Oct. 4t)

This "TIME FOR CREATION"
offers

"individual believers and communities a fitting opportunity
to reaffirm their personal vocation
to be stewards of creation,
to thank God for the wonderful handwork which
He has entrusted to our care,
to implore His help for the protection
of creation
as well as his pardon for the sins committed against
the world in which we live."
(Pope Francis)

WALK LIGHTLY

Each leaf, each petal,
each grain, each person
sings your praises, Creator God.

Each creature on the earth, all the mountains
and great seas show your glory,
Spirit love.

And yet we have plundered
your splendor, taken and
not shared your gift,
lived as owner of the earth,
not guest.

And so the ice is cracked,
the rivers dry, the valleys flooded
and the snowcaps melt.

Loving God, show us how to step gently, how to live simply,
how to walk lightly with respect and love
for all that you have made. Amen!
