

Superior Jr/Sr High School
100 Panther Drive
Superior, AZ 85173

July 30, 2020

Parents & Guardians,

As we embark into this school year, it must be noted that the majority of our classes provided for Remote/Distance learning are **synchronous** where students meet with a teacher daily for those lessons. However, there are some courses that the teacher only monitors classes online because the class is a true online course. The list of those classes are below.

If your student is scheduled for one of those classes, they are expected to login to SchoolsPLP to complete their class when it is scheduled on their class schedule each day. For example, if a student has 3rd Hour Spanish, they should work on the class during 3rd hour. There will be a teacher monitoring the students' progress and will mark attendance based on whether or not the student is logged into the SchoolsPLP at the correct time of day. If they are not logged in, they will be marked absent and the teacher will be in touch. **The students will not meet daily with their teacher on Teams, but instead once a week to check in with the teacher. Their grade in SchoolsPLP for that class will be their grade put into the gradebook.**

These are the classes offered. Classes are managed by Ms. Vines, Mrs. Denogean, & Mr. Ortega.

- **Spanish I & II**
- **JH Career Exploration**
- **JH Coding**
- **7th, 8th, & 9th Grade English (only until the teacher returns from maternity leave)**
- **Music Appreciation**
- **American Sign Language (ASL)**
- **Credit Recovery Classes for high school courses. Class will have PLP in its name.**

If you have questions or concerns please contact Ms. Vines at Superior Unified School District at cvines@superiorisd.org or 520-689-3000 ext. 3106.

Ms. Cameron Vines

Director of Student Achievement/Student Advisor
