# Attention!!

To all community members, alumni, United Superiorites and friends. Here is a chance for you to make an important contribution to Superior Schools.

- Do you remember how much fun you had in school?
- Do you remember there was never enough money to go around?
- Do you remember how you said? "Some day I am going to help my old school out."

## NOW IS YOUR CHANCE

### WHAT IS IT?

Arizona state tax law (ARS 43-1089.01) allows taxpayers a credit of up to \$200.00 for individuals, or \$400 for married couples, on their State income taxes when they make a contribution in support of extracurricular activities in their public schools.

The Superior Unified School District strives to continue to support extracurricular activities for the enjoyment and enrichment of our students. Unfortunately, basic funding sources are not sufficient to offset all costs. Therefore, the State of Arizona has provided taxpayers with a unique opportunity to help school districts.

This program is available to all individual taxpayers in the State of Arizona, regardless of whether or not they live in the community or have children enrolled in public schools.

### HOW DOES IT WORK?

To make a contribution and claim your Arizona Tax Credit, just make a donation in whatever amount you feel comfortable. That amount will be offset, dollar for dollar, for up to \$400.00 for the applicable tax year. Write a check to the school of your choice and get a receipt (in person or by mail) verifying your donation and then when you file your Arizona State taxes, simply claim your tax credit due.

### WHAT DO I DO?

Using the detachable form, simply fill in the required information. Check the boxes that apply, or write in any activity you choose if it is not listed. Make your check for up to \$400.00 and drop it off at the District Office. If you wish to mail your donation, a receipt will be mailed to you immediately for your records.

### WHERE DOES THE MONEY GO?

The beautiful part of this program is that you get to choose. If you wish to support Fine Arts, Sports, Yearbook, Music, Technology, simply indicate your choice on the detachable form. You may also choose from Kennedy Elementary School, Superior Junior High School, or Superior High School. The money goes directly to the program and school of your choice, helping more children with fun-filled, meaningful, life enhancing activities. A bonus of this program is that it frees up District funds for other academic programs.
