

### **In-Person Learning Parent-Student Agreement during Pandemic**

Student: \_\_\_\_\_ Grade: \_\_\_\_\_ Parent: \_\_\_\_\_

Due to the outbreak of the COVID19 pandemic, additional conditions have been established for students enrolled in the In-Person Learning option, in order to support the health and well-being of all students and staff. This agreement outlines the expectations for students and parents that will help ensure the student is successful with in-person learning during the pandemic.

**Student Expectations:**

- Tell your parents if you feel ill before school or tell staff immediately if you feel ill at school or on a bus
- Allow temperature checks upon arrival at school
- Do not share supplies or food
- Maintain a 6-foot distance from other students and staff
- Wash your hands or use hand sanitizer regularly
- Wear a face covering as directed
- Avoid touching your face

**Parent Expectations:**

- Parents must ensure their children are symptom-free before sending them to school
- Parents must immediately come to school to pick up their children when/if they are ill or showing signs/symptoms of COVID19
- Parents must provide face coverings for their children for them to be allowed to ride a bus
- Parents are asked to supply face coverings for their children to wear at school as needed
- Campus/classroom visitors will not be allowed
- Flexibility may be needed with drop-off and pick-up time staggering to reduce the possibility of large group gatherings
- Notify the school if someone in your household has tested positive for COVID19 (the County then requires a 14-day exclusion from In-Person learning; Remote Learning can be used during exclusion)
- Cooperate with contact tracing when/if needed with COVID19 exposures.

By signing below, we agree to abide by the conditions outlined above as well as all policies of the Saddle Mountain Unified School District.
