

Remote Learning Parent-Student Agreement

Student: _____ Grade: _____ Parent: _____

Remote Learning is designed to have students attend SMUSD classes with their peers from a remote location, via Google Classroom. This agreement outlines the expectations for students and parents that will help ensure the student is successful with remote learning.

Student Expectations:

- Abide by the SMUSD Technology User Agreement
- Maintain academic honesty with all assignments
- If a district-owned device is used, students are responsible for taking care of it
- Attend classes online at their scheduled times every day
- Stay online and participate during class meeting times
- Submit assignments as instructed by teachers
- Follow the district's code of conduct

Parent Expectations:

- Parents are responsible for the student's education and access to the internet (minimum 10 Mbps download speed)
- Parents must contact the school if their child is absent, the same as when attending In-Person
- If a district-owned device is used, parents are responsible for its damage or loss
- Parents must monitor student participation in online courses
- Parents should maintain regular communication with teachers
- Parents should assist students and ensure they are contacting teachers for help as needed
- Parents must maintain current contact information and address with the district

By signing below, we agree to abide by the conditions outlined above as well as all policies of the Saddle Mountain Unified School District.
